Ms. Ileana Fernandez  
Assistant City Attorney  
City of Mesquite  
P.O. Box 850137  
Mesquite, Texas 75185-0137

OR2017-00596

Dear Ms. Fernandez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 647901.

The City of Mesquite (the "city") received a request for information pertaining to a specified complaint and permits pertaining to a specified address. You state the city will release some of the requested information. You claim some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. You raise section 552.101 in conjunction with the common-law informer's privilege, which Texas courts have long recognized. *See Aguilar v. State*, 444 S.W.2d 935, 937 (Tex. Crim. App. 1969). The informer's privilege protects from disclosure the identities of persons who report activities over which the governmental body has criminal or quasi-criminal law-enforcement authority. *See Open Records Decision No. 208* at 1-2 (1978). The informer's privilege protects the identities of individuals who report violations of statutes to the police or similar law-enforcement agencies, as well as those who report violations of statutes with civil or criminal penalties to "administrative officials having a duty of inspection or of law enforcement within their particular spheres." *Open Records Decision No. 279* at 1-2 (1981) (citing 8 John H. Wigmore, *Evidence in Trials at Common*

*Law*, § 2374, at 767 (J. McNaughton Rev. Ed. 1961)). The report must be of a violation of a criminal or civil statute. *See* Open Records Decision Nos. 582 at 2 (1990), 515 at 4 (1988). However, witnesses who provide information in the course of an investigation but do not make a report of the violation are not informants for the purposes of claiming the informer's privilege. The privilege excepts the informer's statement only to the extent necessary to protect that informer's identity. Open Records Decision No. 549 at 5 (1990). We note the informer's privilege does not apply where the informant's identity is known to the individual who is the subject of the complaint. *See* ORD 208 at 1-2.

You state portions of the remaining information identify a complainant who reported violations of law to city administrative officers with the authority to investigate and issue citations. Upon review, we conclude the city may withhold the information you have marked under section 552.101 of the Government Code in conjunction with the informer's privilege. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
