ATTORNEY GENERAL OF TEXAS

January 10, 2017

Mr. Stephen D. Gates
First Assistant City Attorney
City of Midland
P.O. Box 1152
Midland, Texas 79701

OR2017-00604

Dear Mr. Gates:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 641069.

The Midland Police Department (the "department") received five requests from different requestors for information related to a specified incident.¹ You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by the proper custodian of information relating to an investigation or prosecution of criminal conduct. Open Records Decision No. 474 at 4-5 (1987). Where a governmental body

¹You state the department sought and received clarification of the first request for information. *See* Gov't Code §552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or overbroad request for information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

possesses information relating to a pending case of another law enforcement agency, the governmental body may withhold the information under section 552.108(a)(1) if it demonstrates the information relates to the pending case and this office is provided with a representation from the law enforcement entity that the law enforcement entity wishes to withhold the information. You state, and provide documentation demonstrating, the submitted information pertains to an active criminal investigation being conducted by the Texas Rangers. You further state the Texas Rangers object to release of the information at issue, as its release would interfere with the detection, investigation, or prosecution of the crime at issue. Based on these representations, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. See *Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the submitted information.

However, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov’t Code § 552.108(c). Section 552.108(c) refers to the basic information held to be public in *Houston Chronicle*. See 531 S.W.2d at 186-88; see also Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of basic information, the department may withhold the submitted information under section 552.108(a)(1) of the Government Code on behalf of the Texas Rangers.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
