Mr. Adam Anderson  
Assistant County Attorney  
Montgomery County Attorney's Office  
501 North Thompson, Suite 300  
Conroe, Texas 77301

OR2017-00921

Dear Mr. Anderson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 641707 (Ref. No. 16PIA590).

The Montgomery County Sheriff's Office (the "sheriff's office") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the sheriff's office has only submitted a dash camera video recording. To the extent information responsive to the remainder of the request existed on the date the sheriff's office received the request, we assume you have released it. *See* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible). If you have not released any such information, you must do so at this time. *See* Gov't Code §§ 552.301(a), .302.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's or driver's license or permit, a motor vehicle title or registration, or a personal identification document issued by an agency of Texas or another state or country is excepted from public release. *Id.* § 552.130(a). Upon review, we find the submitted dash camera video recording contains information subject to section 552.130. You state the sheriff's office does not have the technological capability to redact the motor vehicle record

information from the recording. Accordingly, the sheriff's office must withhold the submitted dash camera video recording in its entirety under section 552.130. *See* Open Records Decision No. 364 (1983).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
