Dear Mr. Miller:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 642266.

The Texas Department of Criminal Justice (the "department") received a request for the prison identification photograph of a named inmate. You claim the submitted information is excepted from disclosure under section 552.134 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.134 of the Government Code relates to information about inmates of the department. This exception provides, in relevant part:

(a) Except as provided by Subsection (b) or by Section 552.029 [of the Government Code], information obtained or maintained by the [department] is excepted from [required public disclosure] if it is information about an inmate who is confined in a facility operated by or under a contract with the department.

Gov't Code § 552.134(a). Section 552.134 is explicitly made subject to section 552.029, which provides in relevant part the following:

Notwithstanding Section . . . 552.134, the following information about an inmate who is confined in a facility operated by or under a contract with the [department] is subject to required disclosure under Section 552.021:

(1) the inmate's name, identification number, age, birthplace, department photograph, physical description, or general state of health or the nature of an injury to or critical illness suffered by the inmate[.]

Id. § 552.029(1). You seek to withhold the submitted information under section 552.134. However, upon review, we note the submitted information consists of a department photograph. Under section 552.029(1), the department may not withhold this information under section 552.134. Thus, the department must release the submitted information pursuant to section 552.029(1) of the Government Code.
