

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

January 23, 2017

Mr. Andrew W. Neiford
Assistant District Attorney
County of Kaufman
100 West Mulberry Street
Kaufman, Texas 75142

OR2017-01452

Dear Mr. Neiford:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 648627.

The Kaufman County District Attorney's Office (the "district attorney's office") received a request for all information pertaining to a named individual, including information regarding three specified cases. You claim the submitted information is excepted from disclosure under sections 552.108 and 552.1325 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity may release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1).

Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

Here, the requestor is a person listed under section 550.065(c). Although the district attorney's office asserts section 552.108 to withhold the information, a statutory right of access prevails over the Act's general exceptions to public disclosure. *See, e.g.*, Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because section 552.108 is a general exception under the Act, the requestor's statutory access under section 550.065(c) prevails and the district attorney's office may not withhold the information under section 552.108 of the Government Code. Thus, the district attorney's office must release the accident report to the requestor pursuant to section 550.065(c).

Next, we note that the information you seek to withhold includes the arrestee's blood test results. Section 724.018 of the Transportation Code provides that, on the request of the person who has given a specimen at the request of a peace officer, full information concerning the analysis of the specimen must be made available to that person or the person's attorney. Transp. Code § 724.018. As a general rule, the exceptions to disclosure found in the Act do not apply to information that other statutes make public. *See* Open Records Decision Nos. 623 at 3 (1994), 525 at 3 (1989). In this instance, the requestor is the authorized representative of the person who provided the blood specimen at the request of a peace officer. Therefore, the submitted results of the analysis of the blood specimen must be released to this requestor pursuant to section 724.018 of the Transportation Code.

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that concluded in a result other than conviction or deferred adjudication. Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested). You state the remaining information concerns a concluded investigation that did not result in a conviction or deferred adjudication. Based on this representation, we agree section 552.108(a)(2) is applicable to the remaining information.

However, we note section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). *See also* Open Records Decision No. 127 (1976) (summarizing the types of information considered to be basic information). Thus, with the exception of basic

information, the district attorney's office may withhold the remaining information under section 552.108(a)(2) of the Government Code.¹

In summary, the district attorney's office must release the accident report to the requestor pursuant to section 550.065(c) of the Transportation Code. The submitted results of the analysis of the blood specimen must be released to this requestor pursuant to section 724.018 of the Transportation Code. With the exception of basic information, which must be released, the district attorney's office may withhold the remaining information under section 552.108(a)(2) of the Government Code.
