ATTORNEY GENERAL OF TEXAS

January 26, 2017

Mr. Oscar G. Gabaldón, Jr.
Assistant City Attorney
Office of the City Attorney
City of El Paso
P.O. Box 1890
El Paso, Texas 79950-1890

OR2017-01717

Dear Mr. Gabaldón:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 643162 (Ref. No. 16-1026-7969).

The City of El Paso (the "city") received a request for several specified 911 calls. You state the city will release some information. You claim the remaining requested information is excepted from disclosure under section 552.101 of the Government Code.¹ We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes, such as section 261.201(a) of the Family Code, which provides, in relevant part:

(a) [T]he following information is confidential, is not subject to public release under [the Act], and may be disclosed only for purposes consistent

¹Although you also raise section 552.101 in conjunction with common-law privacy and constitutional privacy for the submitted information, you provide no arguments explaining how these doctrines are applicable to the information at issue. Therefore, we assume you no longer assert these doctrines. See Gov't Code §§ 552.301, .302.

with this code and applicable federal or state law or under rules adopted by an investigating agency:

- (1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and
- (2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). The submitted information was used or developed in investigations of alleged or suspected child abuse or neglect. *See id.* § 261.001(1), (4) (defining “abuse” and “neglect” for purposes of Family Code chapter 261); *see also id.* § 101.003(a) (defining “child” for purposes of this section as person under 18 years of age who is not and has not been married or who has not had disabilities of minority removed for general purposes). Accordingly, we find this information falls within the scope of section 261.201 of the Family Code. You have not indicated the city’s police department has adopted a rule that governs the release of this type of information; therefore, we assume no such regulation exists. Given that assumption, we conclude the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code. *See* Open Records Decision No. 440 at 2 (1986) (addressing predecessor statute).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
