Assistant General Counsel
Texas Department of Public Safety
P.O. Box 4087

OR2017-01722

Dear Ms. Bates:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 642853 (PIR# 16-6569).

The Texas Department of Public Safety (the "department") received a request for reports, warrants, affidavits, video recordings, and photos related to a specified incident. You state you have released some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes the arrestee's blood test results. Section 724.018 of the Transportation Code provides, "[o]n the request of a person who has given a specimen at the request of a peace officer, full information concerning the analysis of the specimen shall be made available to the person or the person's attorney." Transp. Code § 724.018. Here, the requestor is the authorized representative of the individual who submitted the specimen. Although you seek to withhold this information under section 552.108, a statutory right of access generally prevails over the exceptions to disclosure found in the Act. *See, e.g.*, Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Therefore, the department must release the information, which we have marked, pertaining to the analysis of a blood specimen to the requestor under section 724.018 of the Transportation Code.

Section 552.108(a) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or

prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the information at issue would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706, 710 (Tex. 1977). The department states the remaining information relates to a pending criminal investigation or prosecution. Based on this representation, we conclude the release of the remaining information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177, 186-87 (Tex. Civ. App.—Houston [14th Dist.] 1975) (delineating law enforcement interests present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Therefore, section 552.108(a)(1) is applicable to the remaining information and the department may withhold it under section 552.108(a)(1) of the Government Code.

In summary, the department must release the information, which we have marked, pertaining to the analysis of a blood specimen to the requestor under section 724.018 of the Transportation Code. The department may withhold the remaining information under section 552.108(a)(1) of the Government Code.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
