ATTORNEY GENERAL OF TEXAS

February 14, 2017

Mr. Joe Zapata
Administrative Supervisor
Houston Police Department
1200 Travis, 21st Floor
Houston, Texas 77002-6000

OR2017-02004A

Dear Mr. Zapata:

This office issued Open Records Letter No. 2017-02004 (2017) on January 30, 2017. We have examined this ruling and determined that there was an error. Where this office determines that an error was made in the decision process under sections 552.301 and 552.306 of the Government Code, and that error resulted in an incorrect decision, we will correct the previously issued ruling. Consequently, this decision serves as the correct ruling and is a substitute for the decision issued on January 30, 2017. *See generally* Gov't Code § 552.011 (providing that Office of Attorney General may issue decision to maintain uniformity in application, operation, and interpretation of Public Information Act (the "Act"), chapter 552 of the Government Code).

You ask whether certain information is subject to required public disclosure under the Act. Your request was assigned ID# 650816.

The Houston Police Department (the "department") received a request for any dash camera video recordings pertaining to the issuance of a specified citation. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that did not result in conviction or deferred adjudication. *See id.* § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested). The department states the submitted information relates to

pending criminal charges; therefore, the department has failed to demonstrate the submitted information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. Accordingly, the department may not withhold the submitted information under section 552.108(a)(2).

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release.¹ *See id.* § 552.130. We note section 552.130 protects personal privacy and the requestor has a right of access to his own motor vehicle record information under section 552.023 of the Government Code. *See id.* § 552.023(a) (person has special right of access, beyond right of general public, to information held by governmental body that relates to person and that is protected from public disclosure by laws intended to protect that person's privacy interests); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual requests information concerning herself). Accordingly, the department must withhold any discernible motor vehicle record information in the submitted video recordings not belonging to the requestor under section 552.130 of the Government Code. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act may be directed to the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Sean Nottingham
Assistant Attorney General
Open Records Division
