ATTORNEY GENERAL OF TEXAS

Mr. Douglas Brock  
Counsel for Del Valle Independent School District  
Walsh Gallegos Trevino Russo & Kyle, P.C.  
P.O. Box 2156  
Austin, Texas 78768

OR2017-02109

Dear Mr. Brock:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 643630.

The Del Valle Independent School District (the "district"), which you represent, received a request for (1) any "front-facing" video footage taken from a school bus during a specified school bus accident, (2) any accident report prepared or filled out by the bus driver, and (3) any recorded statement of the bus driver. You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note some of the submitted information, which we have marked and indicated, is not responsive to the instant request for information. This ruling does not address the public availability of any information that is not responsive to the request and the district is not required to release such information in response to this request.

Next, we note the responsive information is subject to section 552.022 of the Government Code. Section 552.022(a) provides, in relevant part:

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

(1) a completed report, audit, evaluation, or investigation made of, for, or by a governmental body, except as provided by Section 552.108[.]

Gov't Code § 552.022(a)(1). The responsive information is part of a completed investigation that is subject to section 552.022(a)(1). The district must release the responsive information pursuant to section 552.022(a)(1) unless it is excepted from disclosure under section 552.108 of the Government Code or is made confidential under the Act or other law. *See id.* You seek to withhold the information subject to section 552.022(a)(1) under section 552.103 of the Government Code. However, section 552.103 is discretionary in nature and does not make information confidential under the Act. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive Gov't Code § 552.103); *see also* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). Therefore, the responsive information may not be withheld under section 552.103 of the Government Code. However, as sections 552.117 and 552.130 of the Government Code make information confidential, we will consider the applicability of these sections to the responsive information.<sup>1</sup>

Section 552.117(a)(1) of the Government Code excepts from disclosure the home address and telephone number, emergency contact information, social security number, and family member information of a current or former employee or official of a governmental body who requests this information be kept confidential under section 552.024 of the Government Code, except as provided by section 552.024(a-1). *See* Gov't Code §§ 552.117(a)(1), .024. Section 552.024(a-1) of the Government Code provides, “[a] school district may not require an employee or former employee of the district to choose whether to allow public access to the employee’s or former employee’s social security number.” *Id.* § 552.024(a-1). Thus, the district may only withhold under section 552.117 the home address and telephone number, emergency contact information, and family member information of a current or former employee or official of the district who requests this information be kept confidential under section 552.024. We note section 552.117 is also applicable to personal cellular telephone numbers, provided the cellular telephone service is not paid for by a governmental body. *See* Open Records Decision No. 506 at 5-6 (1988) (section 552.117 not applicable to cellular telephone numbers paid for by governmental body and intended for official use). Whether a particular item of information is protected by section 552.117(a)(1) must be determined at the time of the governmental body’s receipt of the request for the information. *See* Open Records Decision No. 530 at 5 (1989). Thus, information may only be withheld under section 552.117(a)(1) on behalf of a current or former employee who made a request for confidentiality under section 552.024 prior to the date of the governmental body’s receipt of

<sup>1</sup>The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

the request for the information. Therefore, to the extent the individual whose information is at issue timely requested confidentiality under section 552.024 of the Government Code, the district must withhold the information we have marked under section 552.117(a)(1) of the Government Code; however, the marked cellular telephone number may be withheld only if a governmental body does not pay for the cellular telephone service. Conversely, to the extent the individual at issue did not timely request confidentiality under section 552.024, the district may not withhold the information we have marked under section 552.117(a)(1).

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, the district must withhold the motor vehicle record information we have marked and indicated under section 552.130 of the Government Code.

In summary, the district must withhold the information we have marked under section 552.117(a)(1) of the Government Code; however, the marked cellular telephone number may be withheld only if a governmental body does not pay for the cellular telephone service. The district must withhold the motor vehicle record information we have marked and indicated under section 552.130 of the Government Code. The district must release the remaining responsive information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
