

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

February 6, 2017

Mr. Frank Lacy
City Attorney
City of Fort Stockton
P.O. Box 1000
Fort Stockton, Texas 79735

OR2017-02605

Dear Mr. Lacy:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 644748.

The Fort Stockton Police Department (the "department") received a request for information pertaining to a named individual, including a specified incident. You claim the requested information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim.

We must address the department's obligations under section 552.301 of the Government Code when requesting a decision from this office under the Act. Pursuant to section 552.301(e), a governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. Gov't Code § 552.301(e). You state the department received the request on November 15, 2016. As of the date of this letter, you have not submitted a copy or representative samples of the information requested. Consequently, we

find the department failed to comply with the requirements of section 552.301(e) in requesting this decision from our office.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to submit to this office the information required in section 552.301(e) results in the legal presumption that the information is public and must be released. *Id.* § 552.302. Information that is presumed public must be released unless a governmental body demonstrates a compelling reason to withhold the information to overcome this presumption. *Id.*; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ) (governmental body must make compelling demonstration to overcome presumption of openness pursuant to statutory predecessor to Gov't Code § 552.302); Open Records Decision No. 319 (1982). Although you raise section 552.103 of the Government Code for the submitted information, this section is discretionary in nature. It serves only to protect a governmental body's interests, and may be waived; as such, it does not constitute a compelling reason to withhold information. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive section 552.103); Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). Thus, the department has waived its claim under section 552.103 for the submitted information. Accordingly, we have no choice but to order the requested information released pursuant to section 552.302 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
