Ms. Heather Silver  
Assistant City Attorney  
City of Dallas

Dallas, Texas 75201

Dear Ms. Silver:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 644522 (City Ref. No. C001944-111016).

The City of Dallas (the "city") received a request for the city's current Active Dangerous Dog Inspections Report. You state you will release some information to the requestor. You claim some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 826.0311 of the Health and Safety Code, which provides:

<sup>1</sup>We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than those submitted to this office.

owner of the registered dog or cat is confidential and not subject to disclosure under [the Act].

(b) The information may be disclosed only to a governmental entity or a person that, under a contract with a governmental entity, provides animal control services or animal registration services for the governmental entity for purposes related to the protection of public health and safety. A governmental entity or person that receives the information must maintain the confidentiality of the information, may not disclose the information under [the Act], and may not use the information for a purpose that does not directly relate to the protection of public health and safety.

Health & Safety Code § 826.0311(a), (b). You state the submitted information is maintained by the city as part of its pet registry. You assert release of this information would identify or tend to identify the owner of a registered dog or an address, telephone number, or other personally identifying information of the owner of a registered dog. Based on your representations and our review, we find the information you have marked identifies or tends to identify the owner or an address, telephone number, or other personally identifying information of the owner of a registered dog and is subject to section 826.0311. We have no indication the exception in section 826.0311(b) applies. Accordingly, the city must withhold the information you have marked under section 552.101 of the Government Code in conjunction with section 826.0311 of the Health and Safety Code. As you raise no further exceptions to disclosure, the city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
