Dear Mr. Narvaez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 645183 (City ID No. P002181-111516).

The McKinney Police Department (the "department"), which you represent, received a request for information pertaining to a specified incident. You state you released some information. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.130 of the Government Code excepts from disclosure information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Upon review, we find the submitted video recordings contain confidential motor vehicle record information. In this instance, you state the department does not possess the technological capability to redact information from video files. Thus, the department must withhold the submitted video recordings in their entireties under section 552.130 of the Government Code.¹ *See* Open Records Decision No. 364 (1983).

¹As our ruling is dispositive, we need not address your remaining argument against disclosure of the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
