

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

February 9, 2017

Mr. Brad Bowman
General Counsel
Texas Department of Licensing and Regulation
P.O. Box 12157
Austin, Texas 78711

OR2017-03000

Dear Mr. Bowman:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 645533 (TDLR #PIR20170209).

The Texas Department of Licensing and Regulation (the "department") received a request for all records pertaining to elevators at a specified location from a specified time period. You state some information has been released to the requestor. Although you take no position as to whether the submitted information is excepted under the Act, you state the release of this information may implicate the proprietary interests of ThyssenKrupp Elevators America ("ThyssenKrupp"). Accordingly, you state, and provide documentation showing, you notified ThyssenKrupp of the request for information and of its right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in Act in certain circumstances). We have reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from ThyssenKrupp explaining why the information should not be released. Therefore, we have

no basis to conclude ThyssenKrupp has a protected proprietary interest in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the department may not withhold any of the information at issue on the basis of any proprietary interest ThyssenKrupp may have in it. As you raise no other arguments against disclosure, the submitted information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act may be directed to the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Amy L. S. Shipp
