

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

February 9, 2017

Ms. LeAnn M. Quinn  
City Secretary  
City of Cedar Park  
450 Cypress Creek Road  
Cedar Park, Texas 78613

OR2017-03013

Dear Ms. Quinn:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 645100 (City Ref. No. 17-176).

The City of Cedar Park (the "city") received a request for information related to the requestor's background investigation. You claim a portion of the submitted information is excepted from disclosure under section 552.122 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information contains a peace officer's Texas Commission on Law Enforcement ("TCOLE") identification number. Section 552.002(a) of the Government Code defines "public information" as information that is written, produced, collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business:

- (1) by a governmental body;
- (2) for a governmental body and the governmental body:
  - (A) owns the information;
  - (B) has a right of access to the information; or

(C) spends or contributes public money for the purpose of writing, producing, collecting, assembling, or maintaining the information; or

(3) by an individual officer or employee of a governmental body in the officer's or employee's official capacity and the information pertains to official business of the governmental body.

Gov't Code § 552.002(a). In Open Records Decision No. 581 (1990), this office determined certain computer information, such as source codes, documentation information, and other computer programming, that has no significance other than its use as a tool for the maintenance, manipulation, or protection of public property is not the kind of information made public under section 552.021 of the Government Code. We understand an officer's TCOLE identification number is a unique computer-generated number assigned to peace officers for identification in TCOLE's electronic database and may be used as an access device number on the TCOLE website. Accordingly, we find the officer's TCOLE identification number in the submitted information does not constitute public information under section 552.002 of the Government Code. Therefore, the TCOLE identification number is not subject to the Act and need not be released to the requestor.

Section 552.122 of the Government Code excepts from public disclosure “[a] test item developed by a . . . governmental body[.]” *Id.* § 552.122(b). In Open Records Decision No. 626 (1994), this office determined the term “test item” in section 552.122 includes “any standard means by which an individual's or group's knowledge or ability in a particular area is evaluated,” but does not encompass evaluations of an employee's overall job performance or suitability. ORD 626 at 6. The question of whether specific information falls within the scope of section 552.122(b) must be determined on a case-by-case basis. *Id.* Traditionally, this office has applied section 552.122 where release of “test items” might compromise the effectiveness of future examinations. *Id.* at 4-5; *see also* Open Records Decision No. 118 (1976). Section 552.122 also protects the answers to test questions when the answers might reveal the questions themselves. *See* Attorney General Opinion JM-640 at 3 (1987); ORD 626 at 8.

You state the submitted interview questions “constitute test items of the oral board examination given by the [city's police department (the “department”)] to prospective officers applying for employment with the [d]epartment.” However, upon review, we find the questions at issue do not evaluate an individual's or group's knowledge or ability in a particular area. Rather, the information at issue reveals questions that evaluate an applicant's individual abilities, personal opinions, and subjective ability to respond to a particular situation. Accordingly, the city may not withhold any of the information at issue under section 552.122 of the Government Code.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.”<sup>1</sup> Gov’t Code § 552.101. This section encompasses section 411.083 of the Government Code, which pertains to criminal history record information (“CHRI”). CHRI generated by the National Crime Information Center (“NCIC”) or by the Texas Crime Information Center is confidential under federal and state law. CHRI means “information collected about a person by a criminal justice agency that consists of identifiable descriptions and notations of arrests, detentions, indictments, informations, and other formal criminal charges and their dispositions.” *Id.* § 411.082(2). Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI obtained from the NCIC network or other states. *See* 28 C.F.R. § 20.21. The federal regulations allow each state to follow its individual law with respect to CHRI it generates. Open Records Decision No. 565 at 7 (1990); *see generally* Gov’t Code ch. 411 subch. F. Section 411.083 of the Government Code deems confidential CHRI the Texas Department of Public Safety (“DPS”) maintains, except DPS may disseminate this information as provided in chapter 411, subchapter F, or subchapter E-1, of the Government Code. *See* Gov’t Code § 411.083. Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice agency for a criminal justice purpose. *Id.* § 411.089(b)(1). Thus, any CHRI obtained from DPS or any other criminal justice agency must be withheld under section 552.101 of the Government Code in conjunction with Government Code chapter 411. Upon review, we find the information we have marked consists of CHRI the city must withhold under section 552.101 in conjunction with section 411.083 of the Government Code.<sup>2</sup>

Section 552.101 of the Government Code also encompasses the doctrine of common-law privacy. Under the common-law right of privacy, an individual has a right to be free from the publicizing of private affairs in which the public has no legitimate concern. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 682 (Tex. 1976). In considering whether a public citizen’s date of birth is private, the Third Court of Appeals looked to the supreme court’s rationale in *Texas Comptroller of Public Accounts v. Attorney General of Texas*, 354 S.W.3d 336 (Tex. 2010). *Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at \*3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). The supreme court concluded public employees’ dates of birth are private under section 552.102 of the Government Code because the employees’ privacy interest substantially outweighed the negligible public interest in disclosure.<sup>3</sup> *Texas Comptroller*, 354 S.W.3d at 347-48.

<sup>1</sup>The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

<sup>2</sup>We note an individual can obtain his own CHRI from DPS. *See* Gov’t Code § 411.083(b)(3).

<sup>3</sup>Section 552.102(a) excepts from disclosure “information in a personnel file, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.” Gov’t Code § 552.102(a).

Based on *Texas Comptroller*, the court of appeals concluded the privacy rights of public employees apply equally to public citizens, and thus, public citizens' dates of birth are also protected by common-law privacy pursuant to section 552.101. *City of Dallas*, 2015 WL 3394061, at \*3. We note the remaining information includes the requestor's date of birth. The requestor has a right of access to his own date of birth pursuant to section 552.023 of the Government Code. *See* Gov't Code § 552.023(a) (person or person's authorized representative has special right of access to records that contain information relating to the person that are protected from public disclosure by laws intended to protect that person's privacy interests); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual requests information concerning himself). Accordingly, except for the requestor's date of birth, the city must withhold all public citizens' dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, the city must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

Section 552.137 of the Government Code excepts from disclosure "an e-mail address of a member of the public that is provided for the purpose of communicating electronically with a governmental body" unless the member of the public consents to its release or the e-mail address is of a type specifically excluded by subsection (c). *Id.* § 552.137(a)-(c). The e-mail addresses at issue are not a type specifically excluded by section 552.137(c) of the Government Code. Accordingly, the city must withhold the e-mail addresses we have marked under section 552.137 of the Government Code, unless the owners of the e-mail addresses affirmatively consent to their disclosure.

In summary, the TCOLE identification number is not subject to the Act and need not be released to the requestor. The city must withhold the information we have marked under section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code. Except for the requestor's date of birth, the city must withhold all public citizens' dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy. The city must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code. The city must withhold the e-mail addresses we have marked under section 552.137 of the Government Code, unless the owners of the e-mail addresses affirmatively consent to their disclosure. The city must release the remaining information.<sup>4</sup>

---

<sup>4</sup>We note the requestor has a special right of access to some of the information being released. *See* Gov't Code §§ 552.023(a), .137(b), .140(c)(1); ORD 481 at 4. Accordingly, if the city receives another requestor for this information from an individual other than this requestor, the city must again seek a ruling from this office.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
