Ms. Cynthia Tynan
Senior Attorney & Public Information Coordinator
The University of Texas

OR2017-03420

Dear Ms. Tynan:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 645881 (OGC# 172865).

The University of Texas Medical Branch at Galveston (the "university") received a request for information pertaining to a specified incident.¹ You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.²

¹You state the university sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or overbroad request for information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

²We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

Initially, we note you have redacted information from the submitted documents. Pursuant to section 552.301 of the Government Code, a governmental body that seeks to withhold requested information must submit to this office a copy of the information, labeled to indicate which exceptions apply to which parts of the copy, unless the governmental body has received a previous determination for the information at issue. Gov't Code § 552.301(a), (e)(1)(D). You do not assert, nor does our review of our records indicate, you have been granted a previous determination to withhold such information without seeking a ruling from this office. *See id.* § 552.301(a); Open Records Decision No. 673 (2000). In this instance, we are able to discern the nature of the information that has been redacted; thus, being deprived of that information does not inhibit our ability to make a ruling. Nevertheless, be advised that a failure to provide this office with requested information generally deprives us of the ability to determine whether information may be withheld and leaves this office with no alternative other than ordering the redacted information be released. *See* Gov't Code § 552.301(e)(1)(D) (governmental body must provide this office with copy of "specific information requested"). Thus, in the future, the university should refrain from redacting, without authorization, any information it submits to this office in seeking an open records ruling.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." *Id.* § 552.101. Section 552.101 of the Government Code encompasses section 51.971 of the Education Code. Section 51.971 of the Education Code provides, in relevant part, the following:

(a) In this section:

(1) "Compliance program" means a process to assess and ensure compliance by the officers and employees of an institution of higher education with applicable laws, rules, regulations, and policies, including matters of:

(A) ethics and standards of conduct;

(B) financial reporting;

(C) internal accounting controls; or

(D) auditing.

(2) "Institution of higher education" has the meaning assigned by Section 61.003.

...

(e) Information is excepted from disclosure under [the Act] if it is collected or produced:

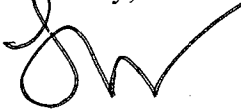

(1) in a compliance program investigation and releasing the information would interfere with an ongoing compliance investigation[.]

Educ. Code § 51.971(a), (e)(1). You state the university is an institution of higher education for purposes of section 61.003 of the Education Code. *See id.* § 51.971(a)(2). You state the submitted information pertains to an open, ongoing compliance investigation concerning a complaint of retaliation by a university employee reported to the university's Fraud and Abuse Hotline. Based on your representations and our review, we agree the information at issue pertains to the university's compliance program for purposes of section 51.971. *See id.* § 51.971(a). You also represent release of the information at this time would interfere with, and potentially compromise, the ongoing investigation. Accordingly, we conclude the university must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 51.971(e)(1) of the Education Code.³

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839.
