ATTORNEY GENERAL OF TEXAS

Ms. Charla Thomas  
Deputy City Attorney  
City of Temple  
2 North Main Street, Suite 308  
Temple, Texas 76501

OR2017-03682

Dear Ms. Thomas:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 651909.

The City of Temple (the "city") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by statute, such as section 181.006 of the Health and Safety Code. Section 181.006 states that:

For a covered entity that is a governmental unit, an individual's protected health information:

- (1) includes any information that reflects that an individual received health care from the covered entity; and
- (2) is not public information and is not subject to disclosure under [the Act].

*Id.* § 181.006. Section 181.001(b)(2) defines “[c]overed entity,” in part, as “any person who:

(A) for commercial, financial, or professional gain, monetary fees, or dues, or on a cooperative, nonprofit, or pro bono basis, engages, in whole or in part, and with real or constructive knowledge, in the practice of assembling, collecting, analyzing, using, evaluating, storing, or transmitting protected health information. The term includes a business associate, health care payer, governmental unit, information or computer management entity, school, health researcher, health care facility, clinic, health care provider, or person who maintains an Internet site[.]

*Id.* § 181.001(b)(2)(A). You do not inform us the city is a covered entity for purposes of section 181.006 of the Health and Safety Code. Thus, we find you have failed to demonstrate the submitted information is subject to section 181.006 of the Health and Safety Code, and the city may not withhold it under section 552.101 of the Government Code on that basis.

Section 552.101 of the Government Code also encompasses section 773.091 of the Health and Safety Code, which provides, in part:

(b) Records of the identity, evaluation, or treatment of a patient by emergency medical services personnel or by a physician providing medical supervision that are created by the emergency medical services personnel or physician or maintained by an emergency medical services provider are confidential and privileged and may not be disclosed except as provided by this chapter.

...

(g) The privilege of confidentiality under this section does not extend to information regarding the presence, nature of injury or illness, age, sex, occupation, and city of residence of a patient who is receiving emergency medical services.

Health & Safety Code § 773.091(b), (g). The submitted information contains records made and maintained by emergency medical services personnel. Upon review, we find section 773.091 is applicable to the submitted information. Thus, with the exception of the information subject to section 773.091(g), which is not confidential, the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 773.091(b) of the Health and Safety Code.<sup>1</sup>

<sup>1</sup>As our ruling is dispositive, we need not address your remaining argument against disclosure of the submitted information.
