El Paso Independent School District

OR2017-03720

Dear Ms. Figueroa:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 646460 (ORR 2016.445).

The El Paso Independent School District (the "district") received a request for specified information pertaining to a named district employee. You state you have released some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.107 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

We note the requestor is an investigator with the Texas Education Agency (the "TEA") and states she is seeking the requested information under the authority provided to the State Board for Educator Certification ("SBEC") by section 249.14 of title 19 of the Texas Administrative Code. Chapter 249 of title 19 of the Texas Administrative Code governs disciplinary proceedings, sanctions, and contested cases involving SBEC. *See* 19 T.A.C. § 249.4. Section 249.14 provides in relevant part:

(a) The [TEA] staff may obtain and investigate information concerning alleged improper conduct by an educator, applicant, examinee, or other person subject to this chapter that would warrant the [SBEC] denying relief to or taking disciplinary action against the person or certificate.

...

(c) TEA staff may also obtain and act on other information providing grounds for investigation and possible action under this chapter.

19 T.A.C. § 249.14(a), (c). The requestor states the TEA has opened an investigation regarding the alleged misconduct or criminal history information of the named educator, and she requires the requested records in order to conduct a full and complete investigation. The requestor also states the alleged misconduct or criminal history information could warrant disciplinary action relating to the teacher's educator certification. Thus, we find the information at issue is subject to the general right of access afforded to the TEA under section 249.14.

We note a specific statutory right of access prevails over general exceptions to disclosure under the Act. *See* Open Records Decision No. 451 at 4 (1986) (specific access provision prevails over generally applicable exception to public disclosure). Although you seek to withhold the submitted information under section 552.107(1) of the Government Code, this section is a general exception to disclosure under the Act. Therefore, the TEA's statutory right of access under section 249.14 prevails, and none of the information at issue may be withheld under section 552.107. *See* Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (specific statutory right of access provisions overcome general exception to disclosure under the Act). Therefore, the district must release the submitted information to the TEA pursuant to section 249.14 of title 19 of the Texas Administrative Code. *See* Open Records Decision No. 525 (1989) (exceptions to disclosure do not apply to information made public by other statutes).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
