ATTORNEY GENERAL OF TEXAS

February 22, 2017

Mr. Carlos G. Madrid
Assistant County Attorney
County of El Paso
500 East San Antonio, Room 503
El Paso, Texas 79901

OR2017-03898

Dear Mr. Madrid:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 653141 (ORR# 0096-17-PI).

The El Paso County Sheriff's Office (the "sheriff's office") received a request for a specified investigation. You state the sheriff's office has released some of the requested information, including documents that have been filed with a court. *See* Gov't Code § 552.022(a)(17). You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code.¹ We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested

¹We note the the sheriff's office did not comply with section 552.301 of the Government Code in requesting a ruling from this office. *See* Gov't Code § 552.301(b), (e). Nonetheless, because third-party interests can provide a compelling reason to overcome the presumption of openness, we will consider the submitted argument against release of the submitted information. *See id.* §§ 552.007, .302, .352; *see also* Open Records Decision No. 586 at 3 (1991) (claim of another governmental body under statutory predecessor to section 552.108 can provide compelling reason for non-disclosure).

information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information pertains to an active criminal investigation or prosecution. Further, you have provided a statement from the El Paso District Attorney's Office (the "district attorney's office") demonstrating the district attorney's office objects to release of the information. Based on these representations, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the submitted information.

However, we note, and you acknowledge, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). We note basic information includes, among other items, a detailed description of the offense, but does not include motor vehicle record information encompassed by section 552.130 of the Government Code or the social security number of the complainant. *See* ORD 127 at 3-4. Thus, with the exception of the basic information, which must be released, the sheriff's office may withhold the submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
