Metropolitan Transit Authority

OR2017-04038

Dear Ms. Hojem:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 647378 (ORR# 2017-0089).

The Metropolitan Transit Authority (the "authority") received two requests from the same requestor for information related to two named officers of the authority's police department, information related to a specified incident, and information pertaining to the requestor's client. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by the proper custodian of information relating to a pending investigation or prosecution of criminal conduct. *See Open Records Decision No. 474 at 4-5 (1987)*. Where a non-law enforcement agency has custody of information that would otherwise qualify for exception under section 552.108 as information relating to the pending case of a law enforcement

agency, the custodian of the records may withhold the information if it provides this office with a demonstration the information relates to the pending case and a representation from the law enforcement agency that it wishes to have the information withheld. We note section 552.108 is generally not applicable to the records of an internal affairs investigation that is purely administrative in nature and does not involve the investigation or prosecution of crime. *See City of Fort Worth v. Cornyn*, 86 S.W.3d 320 (Tex. App.—Austin 2002, no pet.); *Morales v. Ellen*, 840 S.W.2d 519 (Tex. App. —El Paso 1992, writ denied) (statutory predecessor to section 552.108 not applicable to internal investigation that did not result in criminal investigation or prosecution); *see also* Open Records Decision No. 350 at 3-4 (1982).

You state the Harris County District Attorney's Office (the "district attorney's office") has advised the authority the submitted information is related to an active criminal prosecution. You have submitted a statement from the district attorney's office stating the district attorney's office objects to disclosure of the information at issue because its release would interfere with the prosecution. Based on these representations and our review, we conclude the authority may withhold the submitted information under section 552.108(a)(1) of the Government Code on behalf of the district attorney's office. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Claire V. Morris Sloan
