Dear Ms. Vleck:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 647582 (File No. 2016-476).

The Hidalgo County Commissioners Court (the "county") received a request for information pertaining to request for proposals 2016-333-10-19-HGO, Telecommunications and Internet Services. Although you take no position as to whether the submitted information is excepted under the Act, you state release of this information may implicate the proprietary interests of Time Warner Cable, Inc. ("Time Warner"). Accordingly, you state, and provide documentation showing, you notified Time Warner of the request for information and of its right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

Initially, we note an interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from Time Warner explaining why its information should not be released.

Therefore, we have no basis to conclude Time Warner has a protected proprietary interest in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the county may not withhold any of the information at issue on the basis of any proprietary interest Time Warner may have in it.

We note some of the remaining information is subject to section 552.136 of the Government Code.¹ Section 552.136 states that “[n]otwithstanding any other provision of this chapter, a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential.” Gov’t Code § 552.136. This office has concluded insurance policy numbers constitute access device numbers for purposes of section 552.136. Accordingly, we find the county must withhold the submitted insurance policy numbers under section 552.136 of the Government Code. As no other exceptions to disclosure have been raised, the remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Jennifer Copeland
Assistant Attorney General
