ATTORNEY GENERAL OF TEXAS

Mr. Nicholas Toulet
Assistant City Attorney
City Attorney's Office
City of Midland
P.O. Box 1152
Midland, Texas 79702

OR2017-04639

Dear Mr. Toulet:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 648316 (#M019671-121616).

The City of Midland (the "city") received a request for records pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code.¹ We have considered the exception you claim and reviewed the submitted information.

Initially, we note the requestor claims a right of access to the information at issue pursuant to the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), 42 U.S.C. §§ 1320d-1320d-8. At the direction of Congress, the Secretary of Health and Human Services ("HHS") promulgated regulations setting privacy standards for medical records, which HHS issued as the Federal Standards for Privacy of Individually Identifiable Health Information. *See* 42 U.S.C. § 1320d-2 (Supp. IV 1998) (historical & statutory note); Standards for Privacy of Individually Identifiable Health Information, 45 C.F.R. pts. 160, 164

¹Although you do not raise section 552.101 of the Government Code in your brief, we understand you to assert this exception based on your arguments.

("Privacy Rule"); *see also* Attorney General Opinion JC-0508 at 2 (2002). These standards govern the releasability of protected health information by a covered entity. *See* 45 C.F.R. pts. 160, 164. Under these standards, a covered entity may not use or disclose protected health information, except as provided by parts 160 and 164 of the Code of Federal Regulations. *Id.* § 164.502(a). However, it is beyond the scope of the authority of this office to render a decision under HIPAA. *See* Gov't Code § 552.301(a) (open records division's authority is limited to determining, upon a governmental body's request, whether requested information falls within an exception to disclosure); Attorney General Opinion GA-0138 at 10 (2004). Accordingly, we do not address the applicability of HIPAA to the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 773.091 of the Health and Safety Code, which provides, in relevant part:

(b) Records of the identity, evaluation or treatment of a patient by emergency medical services personnel or by a physician providing medical supervision that are created by the emergency medical services personnel or physician or maintained by an emergency medical services provider are confidential and privileged and may not be disclosed except as provided by this chapter.

...

(g) The privilege of confidentiality under this section does not extend to information regarding the presence, nature of injury or illness, age, sex, occupation, and city of residence of a patient who is receiving emergency medical services.

Health & Safety Code § 773.091(b), (g). Except for the information specified in section 773.091(g), emergency medical services ("EMS") records are deemed confidential under section 773.091. Upon review, we find the submitted information constitutes records of the identity, evaluation, or treatment of a patient by EMS personnel. Thus, except for the information subject to section 773.091(g), the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 773.091(b) of the Health and Safety Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839.
