Dear Ms. Aguilar:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 651685 (CCPD File No. JGue2).

The Corpus Christi Police Department (the "department") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information protected by section 48.101 of the Human Resources Code, which pertains to the disclosure of reports of abuse, neglect, or exploitation of elderly and disabled persons in certain facilities. Section 48.101 provides, in pertinent part, as follows:

(a) The following information is confidential and not subject to disclosure under [the Act]:

- (1) a report of abuse, neglect, or exploitation made under this chapter;
- (2) the identity of the person making the report; and

(3) except as provided by this section, all files, reports, records, communications, and working papers used or developed in an investigation made under this chapter or in providing services as a result of an investigation.

(b) Confidential information may be disclosed only for a purpose consistent with this chapter and as provided by [the Texas Department of Family and Protective Services (the “DFPS”)] or investigating state agency rule and applicable federal law.

Hum. Res. Code § 48.101(a), (b). Section 48.051 of the Human Resources Code provides “a person having cause to believe that an elderly person, a person with a disability, or an individual receiving services from a provider as described by Subsection F [of chapter 48 of the Human Resources Code] is in the state of abuse, neglect, or exploitation” shall report certain prescribed information to the DFPS or another appropriate state agency. *See id.* § 48.051(a). The only entities authorized to conduct an investigation under chapter 48 of the Human Resources Code are DFPS and certain other state agencies, depending on the circumstances surrounding the incident. *See id.* §§ 48.151, .152, .252, .301. Thus, reports made by a city’s police department generally are not subject to section 48.101. The submitted police reports were created by the department in connection with a criminal investigation conducted by the department. However, you inform us a caseworker with the Adult Protective Services Division of the DFPS (“APS”) has advised APS is using the submitted information in an investigation by APS under chapter 48. Thus, because the legislature expressly made all information used by the APS in its investigations under chapter 48 of the Human Resources Code confidential, the submitted information is confidential under section 48.101. *See id.* § 48.101(a)(3). Such information must not be released to the public, except for a purpose consistent with chapter 48 and as provided by DFPS or investigating state agency rule or federal law. *See id.* § 48.101(b). *But see id.* § 48.101(c)-(f) (permitting release of confidential information in certain circumstances). The department does not indicate, nor does it appear, an exception to confidentiality applies in this instance. Accordingly, we conclude the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 48.101 of the Human Resources Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
