OR2017-05178

Dear Ms. Anderson-Nelson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 648849 (DART ORR #W001306-121616).

Dallas Area Rapid Transit ("DART") received a request for information pertaining to a specified incident. DART states it released some information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, DART states it sought clarification for some of the information requested. *See* Gov't Code § 552.222 (if request for information is unclear, governmental body may ask requestor to clarify request); *see also City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (if governmental entity, acting in good faith, requests clarification of unclear or over-broad request, ten-day period to request attorney general ruling is measured from date request is clarified). DART states the requestor has not responded to the request for clarification. Accordingly, we find DART has no obligation at this time to release any information that is responsive to the portion of the request for which it has not received clarification. *See* Open Records Decision No. 663 at 5 (1999) (10-business-day deadline tolled while governmental body awaits clarification in good faith). However, if the requestor responds to the clarification, then DART must seek a ruling from this office before withholding from the requestor any information that would be responsive to the clarification.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses information protected by other statutes. In addition, a federal regulation enacted pursuant to statutory authority can provide statutory confidentiality for purposes of section 552.101 of the Act. *See* Open Records Decision No. 599 at 4 (1992). You raise section 552.101 in conjunction with section 40.321 of title 49 of the Code of Federal Regulations, which relates to the confidentiality of workplace drug and alcohol testing information of employers participating in the United States Department of Transportation (“DOT”) drug or alcohol testing process. *See* 49 C.F.R. pt. 40 (procedures for transportation workplace drug and alcohol testing programs). Section 322 of title 49 of the United States Code authorizes the Secretary of Transportation (the “secretary”) to prescribe regulations necessary to carry out the duties and powers of the secretary. *See* 49 U.S.C. § 322. Section 40.321 of title 49 of the Code of Federal Regulations provides:

Except as otherwise provided in this subpart, as a service agent or employer participating in the DOT drug or alcohol testing process, you are prohibited from releasing individual test results or medical information about an employee to third parties without the employee’s specific written consent.

(a) A “third party” is any person or organization to whom other subparts of this regulation do not explicitly authorize or require the transmission of information in the course of the drug or alcohol testing process.

(b) “Specific written consent” means a statement signed by the employee that he or she agrees to the release of a particular piece of information to a particular, explicitly identified, person or organization at a particular time. “Blanket releases,” in which an employee agrees to a release of a category of information (e.g., all test results) or to release information to a category of parties (e.g., other employers who are members of a C/TPA, companies to which the employee may apply for employment), are prohibited under this part.

49 C.F.R. § 40.321. You state the submitted information consists of the drug and alcohol test results of a DART employee that are confidential under section 40.321. You further state the information is maintained by DART pursuant to section 40.321 of title 49 of the Code of Federal Regulations. You do not indicate that any written consent has been given with respect to disclosure of the information in question. *See id.* § 40.321(b). Based upon your representations and our review, we conclude DART must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 322 of title 49 of the United States Code and section 40.321 of title 49 of the Code of Federal Regulations.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
