ATTORNEY GENERAL OF TEXAS

Ms. Lola Dada-Olley  
Assistant City Attorney  
City of Plano  
P.O. Box 860358  
Plano, Texas 75086-0358

OR2017-05491

Dear Ms. Dada-Olley:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 649349 (Plano File No. 16-059).

The City of Plano (the "city") received a request for information pertaining to commercial real property that the city leases from non-governmental third parties. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information other statutes make confidential. You claim section 552.101 in conjunction with section 418.181 of the Government Code, which was added to chapter 418 of the Government Code as part of the Texas Homeland Security Act. Section 418.181 provides,

Those documents or portions of documents in the possession of a governmental entity are confidential if they identify the technical details of particular vulnerabilities of critical infrastructure to an act of terrorism.

---

<sup>1</sup>We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

*Id.* § 418.181. The fact information may generally be related to a governmental body's security concerns does not make the information *per se* confidential under section 418.181. *See* Open Records Decision No. 649 at 3 (1996) (language of confidentiality provision controls scope of its protection). Furthermore, the mere recitation by a governmental body of a statute's key terms is not sufficient to demonstrate the applicability of a claimed provision. As with any confidentiality provision, a governmental body asserting section 418.181 must adequately explain how the responsive information falls within the scope of the statute. *See* Gov't Code § 552.301(e)(1)(A) (governmental body must explain how claimed exception to disclosure applies).

You assert the submitted information "could identify details of critical infrastructure[.]" specifically "the combination of the location, reasons for use and square footage" of certain city departments. Upon review, we find you have failed to establish any portion of the submitted information reveals the technical details of particular vulnerabilities of critical infrastructure to an act of terrorism. *See* Open Records Decision Nos. 542 (1990) (stating that governmental body has burden of establishing that exception applies to requested information), 532 (1989), 515 (1988), 252 (1980). Therefore, the city may not withhold the submitted information under section 552.101 of the Government Code in conjunction with section 418.181 of the Government Code. As you raise no further exceptions to disclosure, the city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Kenny Moreland  
Assistant Attorney General
