March 28, 2017

Mr. Stephen D. Gates
First Assistant City Attorney
City of Midland
P. O. Box 1152
Midland, Texas 79702-1152

OR2017-06363

Dear Mr. Gates:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 650850 (City ID#M019829-011317).

The City of Midland (the "city") received a request for a specified incident report. You claim some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 of the Government Code encompasses information made confidential by other statutes. You state the submitted information contains information that was reported to the National Trace Center of the Department of Justice Bureau of Alcohol, Tobacco, Firearms and Explosives (the "ATF"). Public Law number 112-55 states, in pertinent part,

[D]uring the current fiscal year and in each fiscal year thereafter, no funds appropriated under [the Consolidated and Further Continuing Appropriations Act, 2012] or any other [a]ct may be used to disclose part or all of the contents of the Firearms Trace System database maintained by the National Trace Center of the [ATF] or any information required to be kept by licensees pursuant to section 923(g) of title 18, United States Code, or required to be

reported pursuant to paragraphs (3) and (7) of such section, except to: (1) a Federal, State, local, or tribal law enforcement agency, or a Federal, State, or local prosecutor . . . unless such disclosure of such data to an[] . . . entit[y] described in (1) . . . of this proviso would compromise the identity of any undercover law enforcement officer or confidential informant, or interfere with any case under investigation; and no person or entity described in (1) . . . shall knowingly and publicly disclose such data; and all such data shall be immune from legal process, shall not be subject to subpoena or other discovery, shall be inadmissible in evidence, and shall not be used, relied on, or disclosed in any manner, nor shall testimony or other evidence be permitted based on the data, in a civil action in any State[.]

Consolidated and Further Continuing Appropriations Act, 2012, Pub. L. No. 112-55, 125 Stat. 552, 609-10 (2011). You state the submitted information contains Firearms Trace Summaries, which consist of content from the Firearms Trace System database maintained by the National Trace Center. Upon review, we find the submitted Firearms Trace Summaries at issue are confidential under Public Law number 112-55. *See Miller v. U.S. Dep't of Justice*, 562 F. Supp. 2d 82, 111 (D.D.C. 2008) (holding Firearms Trace Report properly withheld under Freedom of Information Act exemption 3, which covers records that are exempt from disclosure by statute). Accordingly, the city must withhold the information we marked under section 552.101 of the Government Code in conjunction with Public Law number 112-55.

Section 552.101 also encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. Additionally, this office has concluded some kinds of medical information are generally highly intimate or embarrassing. *See* Open Records Decision No. 455 (1987). Generally, only highly intimate or embarrassing information implicating the privacy of an individual is withheld. Upon review, we find the information we have marked meets the standard articulated by the Texas Supreme Court in *Industrial Foundation*. Accordingly, the city must withhold the information we have marked under section 552.101 of the Government Code in conjunction with common-law privacy. We find no portion of the remaining information is highly intimate or embarrassing and of no legitimate public concern, and the city may not withhold any of the remaining information under section 552.101 of the Government Code on the basis of common-law privacy.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is

excepted from public release.¹ See Gov't Code § 552.130. Accordingly, the city must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

In summary, the city must withhold the information we marked under section 552.101 of the Government Code in conjunction with Public Law number 112-55. The city must withhold the information we have marked under section 552.101 of the Government Code in conjunction with common-law privacy. The city must withhold the motor vehicle record information we marked under section 552.130 of the Government Code. The city must release the remaining information.
