Mr. James Kopp
Assistant City Attorney
City of San Antonio
P.O. Box 839966

OR2017-06529

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 657729 (COSA File No. W158461).

The City of San Antonio (the "city") received a request for certain information pertaining to a specified motor vehicle accident. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information, a portion of which constitutes a representative sample.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Act of June 1, 2015, 84th Leg., R.S., ch. 936, § 1, 2015 Tex. Sess. Law Serv. 3256 (Vernon) (to be codified at Transp. Code § 550.065(a)(1)). Chapter 550 requires the creation of a written report when the accident

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. Transp. Code §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

In this instance, the requestor is not a person listed under section 550.065(c). Thus, the submitted accident report is confidential under section 550.065(b), and the city must withhold it under section 552.101 of the Government Code. However, section 550.065(c-1) requires the city to create a redacted accident report that may be requested by any person. *Id.* § 550.065(c-1). The redacted accident report may not include the information listed in subsection (f)(2). *Id.* Therefore, the requestor has a right of access to the redacted accident report. Accordingly, the city must release the redacted accident report to the requestor pursuant to section 550.065(c-1) of the Transportation Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information relates to an open criminal investigation. Based on your representation and our review, we find release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the remaining information.

However, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov’t Code § 552.108(c). Section 552.108(c) refers to the basic information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of basic information, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.

In summary, the city must withhold the submitted accident report under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code, but must release the redacted accident report pursuant to section 550.065(c-1) of the

Transportation Code. With the exception of basic information, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
