Office of the City Attorney

Dear Ms. Silver:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 651325 (Reference# C000304-011117).

The City of Dallas (the "city") received a request for the contact list of a named city official during a specified time period. You state the city will release some of the requested information. You claim some of the submitted information is excepted from disclosure under sections 552.127 and 552.137 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

Section 552.127 of the Government Code excepts from disclosure information that "identifies a person as a participant in a neighborhood crime watch organization and relates to the name, home address, business address, home telephone number, or business telephone number of the person." Gov't Code § 552.127(a); *see also id.* § 552.127(b) (defining "neighborhood crime watch organization"). You assert the information you have marked identifies individuals who are members of neighborhood crime watch organizations. Upon review, we find the city must withhold the information you have marked under section 552.127 of the Government Code.

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

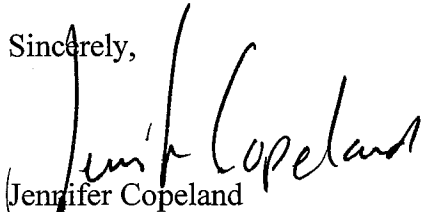

Section 552.137 excepts from disclosure “an e-mail address of a member of the public that is provided for the purpose of communicating electronically with a governmental body,” unless the member of the public consents to its release or the e-mail address is of a type specifically excluded by subsection (c). *See id.* § 552.137(a)-(c). The e-mail addresses at issue are not a type specifically excluded by section 552.137(c). Accordingly, the city must withhold the e-mail addresses we have marked under section 552.137 of the Government Code, unless the owners of the e-mail addresses affirmatively consent to their disclosure. However, the remaining information you have marked is not subject to section 552.137 of the Government Code, and it may not be withheld on that basis.

In summary, the city must withhold the information you have marked under section 552.127 of the Government Code. The city must withhold the e-mail addresses we have marked under section 552.137 of the Government Code, unless the owners of the e-mail addresses affirmatively consent to their disclosure. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Jennifer Copeland
