Ms. Monica Hernandez  
Assistant City Attorney  
Office of the City Attorney  
City of San Antonio  
P.O. Box 839966  
San Antonio, Texas 78283

OR2017-06800

Dear Ms. Hernandez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 651621 (COSA File Nos. W152676-010917 and W154072-011917).

The City of San Antonio (the "city") received a request for all proposals and score sheets and a request for the successful bid in a specified solicitation. Although the city takes no position as to whether the submitted information is excepted under the Act, you state release of the submitted information may implicate the proprietary interests of Health Resources in Action, Inc., STATDAT Solutions, LLC, and Mary C. Thomas. Accordingly, you state, and provide documentation showing, you notified these third parties of the request for information and of their right to submit arguments to this office as to why the submitted information should not be released. *See Gov't Code § 552.305(d)*; *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See Gov't Code § 552.305(d)(2)(B)*. As of the date of this letter, we have not received comments from any third party explaining why the submitted information should not be released. Therefore, we have no basis to conclude any notified third party has a protected proprietary interest in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific

factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the city may not withhold the submitted information on the basis of any proprietary interest the notified third parties may have in the information. We note some of the submitted information is subject to section 552.136 of the Government Code.

Section 552.136 of the Government Code provides, “[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential.”<sup>1</sup> Gov’t Code § 552.136(b); *see id.* § 552.136(a) (defining “access device”). This office has determined insurance policy numbers are access device numbers for purposes of section 552.136. Upon review, we find the city must withhold the insurance policy numbers in the submitted information under section 552.136 of the Government Code.

In summary, the city must withhold the insurance policy numbers in the submitted information under section 552.136 of the Government Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.texasattorneygeneral.gov/open/orl\\_ruling\\_info.shtml](http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml), or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act may be directed to the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Kelly McWethy  
Assistant Attorney General  
Open Records Division
