OR2017-06803A

Dear Ms. Brown:

This office issued Open Records Letter No. 2017-06803 (2017) on April 3, 2017. We have examined this ruling and determined that we will correct the previously issued ruling. *See generally* Gov't Code § 552.011 (providing that Office of Attorney General may issue decision to maintain uniformity in application, operation, and interpretation of Public Information Act (the "Act"), chapter 552 of the Government Code). Consequently, this decision serves as the correct ruling and is a substitute for the decision issued on April 3, 2017. You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. This ruling was assigned ID# 663093.

Angelina County (the "county") received a request for information pertaining to registered voters. You state the county has released some information to the requestor, but claim the remaining requested information, consisting of the dates of birth of registered voters, is

excepted under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Pursuant to subchapter A of chapter 18 of the Election Code, the registrar in each county must prepare for each precinct a certified list of registered voters in the precinct. *See* Elec. Code §§ 18.001-.004 (discussing original, supplemental, registration correction, and revised original lists of registered voters), 12.001 (stating county-collector is voter registrar for county). Each original and supplemental list of registered voters must contain the voter's name, date of birth, and registration number, the voter's residence address, except as provided by subsections (b) and (c) or section 18.0051, and the notation required by section 15.111 of the Election Code. *See id.* § 18.005(a)(1)-(2), (4); *see also id.* §§ 18.0051 (discussing substitute addresses in list of registered voters), 15.111(a) (explaining registrar shall enter certain notation on registered voter's list beside voter's name on suspense list). Section 18.008 of the Election Code provides, in part, as follows:

(a) The registrar shall furnish a copy of any list prepared under . . . subchapter [A of chapter 18] to any person requesting it. The copy shall be furnished without the names of voters whose names appear on a list with the notation "S", or a similar notation, if requested in that form.

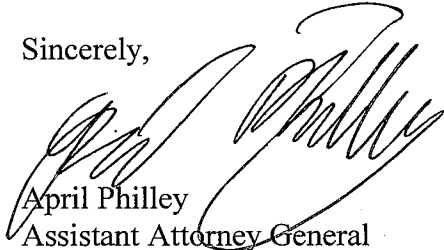

Id. § 18.008(a). Upon review, we find section 18.008 of the Election Code is applicable to the instant request for information. You raise section 552.101 in conjunction with common-law privacy for the submitted dates of birth. As a general rule, the exceptions to disclosure found in the Act do not apply to information that other statutes make public. *See* Open Records Decision Nos. 623 at 3 (1994), 525 at 3 (1989). Further, information that is specifically made public by statute may not be withheld under section 552.101 of the Government Code on the basis of common-law privacy. *See Collins v. Tex Mall, L.P.*, 297 S. W.3d 409, 415 (Tex. App.—Fort Worth 2009, no pet.) (statutory provision controls and preempts common law only when statute directly conflicts with common-law principle); *Center Point Energy Houston Elec. LLC v. Harris County Toll Rd. Auth.*, 436 F.3d 541, 544 (5th Cir. 2006) (common law controls only where there is no conflicting or controlling statutory law). Accordingly, the county must release the submitted information pursuant to section 18.008 of the Election Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. April Philley
