Mr. Eric K. Miller  
Assistant General Counsel  
Office of the General Counsel  
Texas Department of Criminal Justice  
P.O. Box 4004

OR2017-06809

Dear Mr. Miller:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 651683.

The Texas Department of Criminal Justice (the "department") received a request for information pertaining to a specified job interview. You claim the submitted information is excepted from disclosure under section 552.122 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.122(a) of the Government Code excepts from disclosure "[a] test item developed by an educational institution that is funded wholly or in part by state revenue[.]" Gov't Code § 552.122(a). In Open Records Decision No. 626 (1994), this office determined the term "test item" in section 552.122 includes "any standard means by which an individual's or group's knowledge or ability in a particular area is evaluated." ORD 626 at 6. The question of whether specific information falls within the scope of section 552.122(a) must be determined on a case-by-case basis. *Id.* at 7. Traditionally, this office has applied section 552.122 where release of "test items" might compromise the effectiveness of future examinations. *See* Open Records Decision No. 118 (1976). *See generally* ORD 626 at 4-5. Section 552.122 also protects the answers to test questions when the answers might reveal the questions themselves. *See* Attorney General Opinion JM-640 at 3 (1987).

You seek to withhold the submitted questions and answers under section 552.122 of the Government Code. You assert the questions test the knowledge and abilities of applicants in a particular area. You also inform us the department uses the submitted questions on a continuing basis. Based on your representations and our review, we find the questions we have marked constitute "test items" under section 552.122(a) of the Government Code. Furthermore, we find release of the recommended and actual responses to the questions we have marked would reveal the questions themselves. Therefore, the department may withhold the questions we have marked and the recommended and actual responses to the questions we have marked under section 552.122(a) of the Government Code. However, we find the remaining questions at issue do not evaluate an individual's or group's knowledge or ability in a particular area. Rather, the remaining information at issue reveals questions that evaluate an applicant's individual abilities, personal opinions, and subjective ability to respond to a particular situation. Accordingly, the department may not withhold any portion of the remaining information under section 552.122 of the Government Code. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. (Jennifer Copeland
