Dear Mr. Sfeir:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 651980.

Notwithstanding Section . . . 552.134, the following information about an inmate who is confined in a facility operated by or under a contract with the [department] is subject to required disclosure under Section 552.021:

...

(8) basic information regarding the death of an inmate in custody, an incident involving the use of force, or an alleged crime involving the inmate.

*Id.* § 552.029(8). Upon review, we agree the submitted information constitutes information about an inmate for purposes of section 552.134. However, the submitted information pertains to alleged crimes involving the inmate. Thus, pursuant to section 552.029 the department must release basic information from the submitted information. Basic information includes the time and place of the incident, names of inmates and department officials directly involved, a brief narrative of the incident, a brief description of any injuries sustained, and information regarding criminal charges or disciplinary actions filed as a result of the incident.<sup>2</sup> With the exception of basic information, which must be released, the department must withhold the submitted information under section 552.134 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
