ATTORNEY GENERAL OF TEXAS

April 6, 2017

Ms. Michelle Buendia  
Assistant City Attorney  
City of Dallas  
1400 South Lamar 6 Floor 6 West  
Dallas, Texas 75215

OR2017-07275

Dear Ms. Buendia:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 652647 (ORR# 2016-18610).

The Dallas Police Department (the "department") received a request for aggregate data on all pre-employment screening using polygraphs. You claim some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Initially, we must address the department's obligations under the Act. Section 552.301 of the Government Code describes the procedural obligations placed on a governmental body that receives a written request for information it wishes to withhold. Pursuant to section 552.301(b), the governmental body must request a ruling from this office and state the exceptions to disclosure that apply within ten business days after receiving the request. *See* Gov't Code § 552.301(b). Pursuant to section 552.301(e) of the Government Code, the governmental body is required to submit to this office within fifteen business days of

<sup>1</sup>We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

receiving the request (1) general written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *See id.* § 552.301(e). In this instance, you state the department received the request for information on August 12, 2016. Accordingly, the department's ten and fifteen-business-day deadlines were August 26, 2016, and September 2, 2016, respectively. However, you did not request a ruling from this office until January 31, 2017. *See id.* § 552.308 (describing rules for calculating submission dates of documents sent via first class United States mail). Consequently, we find the department failed to comply with the requirements of section 552.301 in requesting this decision from our office.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released. Information that is presumed public must be released unless a governmental body demonstrates a compelling reason to withhold the information to overcome this presumption. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ); *see also* Open Records Decision No. 630 (1994). You assert the submitted information is subject to section 552.101 of the Government Code. Because section 552.101 can provide a compelling reason for non-disclosure, we will address the department's argument under this exception.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by section 1703.306 of the Occupations Code, which provides:

(a) A polygraph examiner, trainee, or employee of a polygraph examiner, or a person for whom a polygraph examination is conducted or an employee of the person, may not disclose information acquired from a polygraph examination to another person other than:

- (1) the examinee or any other person specifically designated in writing by the examinee;
- (2) the person that requested the examination;
- (3) a member, or the member's agent, of a governmental agency that licenses a polygraph examiner or supervises or controls a polygraph examiner's activities;
- (4) another polygraph examiner in private consultation; or

(5) any other person required by due process of law.

(b) The [Texas Department of Licensing and Regulation] or any other governmental agency that acquires information from a polygraph examination under this section shall maintain the confidentiality of the information.

Occ. Code § 1703.306(a), (b). The submitted information contains information acquired from polygraph examinations. The requestor does not fall within any of the categories of individuals who have a right of access to the submitted polygraph information under section 1703.306(a). Accordingly, the department must withhold the polygraph information you have marked under section 552.101 of the Government Code in conjunction with section 1703.306 of the Occupations Code. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
