

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

May 15, 2017

Ms. Wendy A. Pajak
Assistant General Counsel
Texas Medical Board
P.O. Box 2018
Austin, Texas 78768-2018

OR2017-07315A

Dear Ms. Pajak:

This office issued Open Records Letter No. 2017-07315 (2017) regarding a request for a list of all physicians who have pending violations or who have been suspended during a specified time period. However, the Texas Medical Board (the "board") now informs us it wishes to withdraw its request for an open records decision regarding this request. The board's correspondence was assigned ID# 662924.

Based on the board's representation that it wishes to withdraw its request for an open records decision because the requestor has voluntarily withdrawn the request for information, this office will consider this matter closed. This ruling is a substitute for Open Records Letter No. 2017-07315. If the board has any questions with regard to this letter, please refer to ID# 662924.

Sincerely,

A handwritten signature in cursive script that reads "Claire Morris Sloan".
