

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

April 10, 2017

Ms. Mary E. Miller
Assistant District Attorney
Denton County Sheriff's Office
127 North Woodrow Lane, Suite 300
Denton, Texas 76205

OR2017-07424

Dear Ms. Miller:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 652754.

The Denton County Sheriff's Office (the "sheriff's office") received three requests from different requestors for incident reports, 911 calls, in car video and audio recordings, surveillance recordings, and body worn camera recordings pertaining to a specified incident. You state you have released some information. You claim the submitted information is excepted from disclosure under sections 552.101, 552.108, 552.1085, and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime." Gov't Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You inform this office, and we have received documentation demonstrating, the Texas Rangers ("Rangers") object to release of the information at issue because it is related to an open investigation and release would interfere with the investigation and prosecution of the case. Based upon this representation, we conclude the release of the submitted information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v.*

City of Houston, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the submitted information.

However, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov’t Code § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. See 531 S.W.2d at 186-187; see also Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of basic information, which must be released, the sheriff’s office may withhold the submitted information under section 552.108(a)(1) of the Government Code on behalf of the Rangers.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
