Ms. Captoria Brown

Dear Ms. Brown:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 652705 (City ID: 9427).

The City of Carrollton (the "city") received a request for specified information pertaining to two named individuals and all 911 calls made to a specified location during a specified time period. You state you have released some information to the requestor. You claim some of the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we must address the city's procedural obligations under the Act. Section 552.301 describes the procedural obligations placed on a governmental body that receives a written request for information it wishes to withhold. Pursuant to section 552.301(b), the governmental body must ask for the attorney general's decision and state the exceptions that apply within ten business days after receiving the request. *See* Gov't Code § 552.301(b). In this instance, you state the city received the request for information on January 5, 2017. We note January 16, 2017 was a federal holiday. This office does not count the date the request was received or holidays for the purpose of calculating a governmental body's deadlines under the Act. Accordingly, the city's ten-business-day deadline was January 20, 2017. However, the envelope in which you requested a decision was meter-marked January 31, 2017. *See id.* § 552.308 (describing rules for calculating

submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Consequently, we find the city failed to comply with the requirements of section 552.301 in requesting this decision from our office.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). The need of a governmental body, other than the governmental body that failed to timely seek an open records decision, to withhold information under section 552.108 of the Government Code can provide a compelling reason sufficient to overcome the presumption of openness. *See* Open Records Decision No. 586 (1991). Because you inform us, and provide documentation showing, the Dallas County District Attorney's Office (the "district attorney's office") objects to the release of the information at issue, we will consider whether the city may withhold the submitted information under section 552.108 of the Government Code on behalf of the district attorney's office. Additionally, section 552.130 of the Government Code can provide a compelling reason to overcome the presumption of openness.¹ Therefore, we will address the applicability of section 552.130 to the submitted information.

Next, we note the submitted information includes city police officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body

¹The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

worn camera recordings at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You provide a representation from the district attorney’s office stating the information you marked relates to a criminal investigation or prosecution that is pending with the district attorney’s office. Based upon this representation, we conclude the release of the information you marked would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) of the Government Code is applicable to the information you marked and the city may withhold the information you marked under section 552.108(a)(1) of the Government Code on behalf of the district attorney’s office.

Section 552.130 of the Government Code excepts from disclosure information that relates to a motor vehicle operator’s license, driver’s license, motor vehicle title, or registration issued by this state or another state or country. Gov’t Code § 552.130(a)(1), (2). Accordingly, the city must withhold the motor vehicle record information we marked under section 552.130 of the Government Code.

In summary, pursuant to section 1701.661(a) of the Occupations Code, the submitted body worn camera recordings need not be released to the requestor. The city may withhold the information you marked on behalf of the district attorney’s office under section 552.108(a)(1) of the Government Code. The city must withhold the motor vehicle record information we marked under section 552.130 of the Government Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
