Mr. James Kopp
Assistant City Attorney
City of San Antonio
P.O. Box 839966
San Antonio, Texas 78283-3966

OR2017-07670

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 659386 (COSA No. W159395).

The City of San Antonio (the "city") received a request for a specified case. You state the city will redact the dates of birth of public citizens pursuant to Open Records Letter No. 2016-08566 (2016).¹ You claim some of the submitted information is excepted from disclosure under sections 552.101, 552.130, and 552.136 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by other statutes, such as chapter 772 of the Health and Safety Code, which authorizes the development of local emergency communication districts. Sections 772.118, 772.218,

¹Open Records Letter No. 2016-08566 is a previous determination authorizing the city to withhold the dates of birth of living individuals under section 552.101 of the Government Code in conjunction with common-law privacy without requesting a decision from this office. *See* Gov't Code § 552.301(a); Open Records Decision No. 673 (2001) (listing elements of second type of previous determination under section 552.301(a) of the Government Code).

and 772.318 of the Health and Safety Code are applicable to emergency 9-1-1 districts established in accordance with chapter 772. See Open Records Decision No. 649 (1996). These sections make the originating telephone numbers and addresses of 9-1-1 callers furnished by a service supplier confidential. *Id.* at 2. Section 772.118 applies to an emergency communication district for a county with a population of more than two million. Section 772.218 applies to an emergency communication district for a county with a population of more than 860,000. Section 772.318 applies to an emergency communication district for a county with a population of more than 20,000.

We understand the city is part of an emergency communication district established under section 772.218 of the Health and Safety Code. You indicate the information you marked contains an originating telephone number of a 9-1-1 caller. Provided the information at issue was furnished by a service supplier, we agree the city must withhold the telephone number you marked under section 552.101 of the Government Code in conjunction with section 772.218 of the Health and Safety Code.

Section 552.101 of the Government Code also encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. This office has found personal financial information not relating to a financial transaction between an individual and a governmental body is generally highly intimate or embarrassing. See Open Records Decision No. 600 (1992) (personal financial information includes choice of a particular insurance carrier). Upon review, we find the information we marked satisfies the standard articulated by the Texas Supreme Court in *Industrial Foundation*. Accordingly, the city must withhold the information we marked under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. See Gov't Code § 552.130. Accordingly, the city must withhold the motor vehicle record information it marked under section 552.130 of the Government Code.

Section 552.136 of the Government Code provides, "[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential." *Id.* § 552.136(b); see *id.* § 552.136(a) (defining "access device"). This office has determined insurance policy numbers are access device numbers for purposes of section 552.136. See Open Records

Decision No. 684 at 9 (2009). The city asserts the submitted employee SAP numbers are confidential under section 552.136 because they can be used by employees to obtain certain goods, such as gasoline. Upon review, the city must withhold the information it marked under section 552.136 of the Government Code.

In summary, if the information at issue was furnished by a service supplier, the city must withhold the telephone number it marked under section 552.101 of the Government Code in conjunction with section 772.218 of the Health and Safety Code. The city must withhold the information we marked under section 552.101 of the Government Code in conjunction with common-law privacy. The city must withhold the motor vehicle record information it marked under section 552.130 of the Government Code. The city must withhold the information it marked under section 552.136 of the Government Code. The city must release the remaining information.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. ²We note the requestor has a special right of access to some of the information being released in this instance. See Gov't Code § 552.023(a) (governmental body may not deny access to person to whom information relates, or that party's representative, solely on grounds that information is considered confidential by privacy principles). Because such information is confidential with respect to the general public, if the city receives another request for this information from a different requestor, then the city should again seek a ruling from this office.
