

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

April 13, 2017

Mr. Gary W. Bunyard
Assistant District Attorney
33rd & 424th Judicial Districts
P. O. Box 725
Llano, Texas 78643

OR2017-07972

Dear Mr. Bunyard:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 653414.

The Office of the District Attorney for the 33rd and 424th Judicial Districts (the "district attorney's office") received a request for information pertaining to a named individual, including a specified incident. You claim the requested information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code.¹ We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the submitted information includes a police officer's body worn camera recording. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

¹We understand you to raise section 552.101 based on the substance of your arguments. Although you raise constitutional privacy and the work product privilege for the submitted information, you provide no arguments explaining how these doctrines are applicable to the information at issue. Therefore, we assume you no longer assert these doctrines. *See* Gov't Code §§ 552.301, .302.

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recording at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Next, we note the submitted information contains CR-3 accident reports that are subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator’s accident report), .062 (officer’s accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1)). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

The requestor represents a person listed under section 550.065(c). Although the district attorney’s office asserts section 552.108 to withhold the information, a statutory right of access prevails over the Act’s general exceptions to public disclosure. *See, e.g.*, Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because section 552.108 is a general exception under the Act, the requestor’s statutory access under section 550.065(c) prevails and the district attorney’s office may not withhold the information under section 552.108 of the Government Code. Thus, the district attorney’s office must release the CR-3 accident reports pursuant to section 550.065(c) of the Transportation Code.

Section 552.108(a) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the information at issue would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706, 710 (Tex. 1977). We note the submitted information includes a citation, a DIC-24 statutory warning, and a DIC-25 notice of suspension. Because the district attorney’s office provided copies of these documents to the arrestee, we find their release will not interfere with the detection, investigation, or prosecution of crime. Therefore, the district attorney’s office may not withhold the citation, DIC-24 statutory warning, or DIC-25 notice of suspension under section 552.108(a)(1). The district attorney’s office states the remaining information relates to an ongoing criminal investigation, and release of that information would interfere with the investigation and prosecution of the case. Based on this representation, we conclude the release of the remaining information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177, 186-87 (Tex. Civ. App.—Houston [14th Dist.] 1975) (delineating law enforcement interests present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

Section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov’t Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of the citation, the DIC-24 statutory warning, the DIC-25 notice of suspension, and basic information, the district attorney’s office may withhold the remaining information under section 552.108(a)(1) of the Government Code.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). Under the common-law right of privacy, an individual has a right to be free from the publicizing of private affairs in which the public has no legitimate concern. *Id.* at 682. The court of appeals has concluded public citizens’ dates of birth are protected by common-law privacy pursuant to section 552.101. *Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at *3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). The district attorney’s office must withhold the date of birth of the arrestee in the citation, DIC-24 statutory warning, and DIC-25 notice of suspension under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release.² See Gov't Code § 552.130. The district attorney's office must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

To conclude, the district attorney's office must release the submitted CR-3 accident reports pursuant to section 550.065(c) of the Transportation Code. With the exception of the citation, the DIC-24 statutory warning, the DIC-25 notice of suspension, and basic information, which the district attorney's office must generally release, the district attorney's office may withhold the remaining information under section 552.108(a)(1) of the Government Code. However, in releasing the citation, the DIC-24 statutory warning, and the DIC-25 notice of suspension, the district attorney's office must withhold the date of birth of the arrestee under section 552.101 of the Government Code in conjunction with common-law privacy and the information we have marked under section 552.130 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
