

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

April 19, 2017

Ms. Elizabeth Conry Davidson
Attorney
Counsel for Bexar Appraisal District
926 Chulie Drive
San Antonio, Texas 78216

OR2017-08355

Dear Ms. Davidson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 653703.

The Bexar Appraisal District (the "district"), which you represent, received a request for the Income Calculation Worksheets provided at specified hearings for four specified accounts. You claim the requested information is excepted from disclosure under sections 552.103 and 552.149 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the submitted information is not responsive to the instant request for information because it does not consist of Income Calculation Worksheets. This ruling does not address the public availability of any information that is not responsive to the request and the district is not required to release such information in response to this request.

Next, we must address the district's obligations under the Act. Section 552.301 of the Government Code prescribes the procedures that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. *See* Gov't Code § 552.301. Pursuant to section 552.301(e), a governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the claimed exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written

request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *Id.* § 552.301(e). The district received the request for information on January 30, 2017. As of this date, you have not submitted to this office a copy or representative sample of the information requested. Accordingly, we conclude the district failed to comply with the requirements of section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). Although the district raises exceptions to disclosure, because you have not submitted the requested information for our review, we have no basis for finding any of the information excepted from disclosure. Thus, we have no choice but to order the requested information released pursuant to section 552.302. If you believe the information may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Claire V. Morris Sloan
