ATTORNEY GENERAL OF TEXAS

Ms. Dawn Roberts  
Assistant City Attorney  
City of Arlington  
P.O. Box 1065  
Arlington, Texas 76004-1065

OR2017-09050

Dear Ms. Roberts:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 655099 (PD Reference # 34659).

The City of Arlington (the "city") received a request for data pertaining to traffic stops and citations for every police officer of the city's police department (the "department") assigned to specified shifts during specified time periods. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Section 552.108(b)(1) of the Government Code excepts from disclosure "[a]n internal record or notation of a law enforcement agency or prosecutor that is maintained for internal use in matters relating to law enforcement or prosecution . . . if . . . release of the internal record or notation would interfere with law enforcement or prosecution[.]" Gov't Code § 552.108(b)(1). Section 552.108(b)(1) is intended to protect "information which, if released, would permit private citizens to anticipate weaknesses in a police department, avoid detection, jeopardize officer safety, and generally undermine police efforts to effectuate the laws of this State." *City of Fort Worth v. Cornyn*, 86 S.W.3d 320, 327 (Tex. App.—Austin 2002, no pet.). To prevail on its claim that section 552.108(b)(1) excepts information from disclosure, a governmental body must do more than merely make a conclusory assertion

<sup>1</sup>We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

that releasing the information would interfere with law enforcement. Instead, the governmental body must meet its burden of explaining how and why release of the requested information would interfere with law enforcement and crime prevention. *See* Open Records Decision No. 562 at 10 (1990) (construing statutory predecessor). This office has concluded that section 552.108(b) excepts from public disclosure information relating to the security or operation of a law enforcement agency. *See, e.g.*, Open Records Decision Nos. 531 (1989) (release of detailed use of force guidelines would unduly interfere with law enforcement), 252 (1980) (section 552.108 of the Government Code is designed to protect investigative techniques and procedures used in law enforcement), 143 (1976) (disclosure of specific operations or specialized equipment directly related to investigation or detection of crime may be excepted).

You state the submitted information relates to the staffing and shift times of department officers. You further state the information at issue would allow individuals to anticipate how many officers during a shift are available to prevent them from carrying out an attack. You assert release of the information at issue would interfere with the department's law enforcement abilities. Based on your representations and our review, we agree the release of the submitted information would interfere with law enforcement. Accordingly, the city may withhold the submitted information under section 552.108(b)(1) of the Government Code.<sup>2</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Kenny Moreland

<sup>2</sup>As our ruling is dispositive, we need not address your remaining argument against disclosure of the submitted information.
