Dear Ms. Bloodworth:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 654916 (BCDA File No. 5604).

The Bexar County Tax Assessor-Collector's Office (the "county") received a request for specified checks during a specified time period. You claim the requested information is excepted from disclosure under sections 552.130 through 552.136 of the Government Code. We have considered the exceptions you claim.

We must address the county's obligations under section 552.301 of the Government Code, which prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. *See* Gov't Code § 552.301. Pursuant to section 552.301(e), a governmental body must submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *See id.* § 552.301(e). You state the county received the request for information on February 6, 2017. However, as of the date of this ruling, you have not provided written comments stating why the claimed exceptions apply or a copy or representative sample of the requested information. Consequently, we find the county has failed to comply with section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to submit to this office the information required in section 552.301 results in the legal presumption that the information is public and must be released. Information that is presumed public must be released unless a governmental body demonstrates a compelling reason to withhold the information to overcome this presumption. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ). Although the county raises exceptions to disclosure, because you have not submitted a copy or representative sample of the specific information requested to this office for our review, we have no basis for finding it excepted from disclosure. Thus, we have no choice but to order the county to release the requested information in accordance with section 552.302 of the Government Code. If the county believes the information may not lawfully be released, it must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
