

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

May 1, 2017

Ms. Kristen Lee
Assistant County Attorney
County of Harris
1019 Congress, 15th Floor
Houston, Texas 77002

OR2017-09192

Dear Ms. Lee:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 655833 (C.A. File No. 17PIA0067).

The Harris County Institute of Forensic Sciences (the "institute") received a request for the autopsy report of a named individual.¹ The institute claims the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception the institute claims.

We must address the institute's obligations under section 552.301 of the Government Code, which prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. *See* Gov't Code § 552.301. Pursuant to section 552.301(e), a governmental body must submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *See id.* § 552.301(e). The institute states it received the request for information on February 6, 2017. However, as of

¹As the institute did not submit a copy of the written request for information, we take our description of the request from the institute's brief.

the date of this ruling, the institute has not provided written comments stating why the claimed exceptions apply, a copy of the written request for information, or a copy or representative sample of the requested information. Consequently, we find the institute has failed to comply with section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). Although the institute raises an exception to disclosure, because the institute has not submitted the requested information for our review, we have no basis for finding any of the information excepted from disclosure. Thus, we have no choice but to order the requested information released pursuant to section 552.302.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
