Dear Ms. White:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 655535 (PIR #105-17).

The Town of Flower Mound (the "town"), which you represent, received a request for a specified incident report and evidence relating to the report.¹ You state you will release some information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses chapter 411 of the Government Code, which pertains to criminal history record information ("CHRI") generated by the National Crime Information Center or by the Texas Crime Information Center. Title 28, part 20 of the Code

¹We note the town sought and received clarification of the information requested. See Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); see also *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding when governmental entity, acting in good faith, requests clarification of unclear or overbroad request for public information, ten-business-day period to request attorney general opinion is measured from date request is clarified or narrowed).

of Federal Regulations governs the release of CHRI that states obtain from the federal government or other states. Open Records Decision No. 565 (1990). The federal regulations allow each state to follow its individual law with respect to CHRI it generates. *Id.* Section 411.083 of the Government Code makes CHRI the Texas Department of Public Safety (“DPS”) maintains confidential, except DPS may disseminate this information as provided in subchapters E-1 and F of chapter 411 of the Government Code. *See* Gov’t Code § 411.083(a). Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice agency for a criminal justice purpose. *Id.* § 411.089(b)(1). Other entities specified in chapter 411 of the Government Code are entitled to obtain CHRI from DPS or another criminal justice agency; however, those entities may not release CHRI except as provided by chapter 411. *See generally id.* §§ 411.090-.127. Thus, any CHRI generated by the federal government or another state may not be made available to the requestor except in accordance with federal regulations. *See* ORD 565. Furthermore, any CHRI obtained from DPS or any other criminal justice agency must be withheld under section 552.101 of the Government Code in conjunction with Government Code chapter 411, subchapter F. We note CHRI does not include driving record information. *See id.* § 411.082(2)(B). Upon review, we find some of the information submitted is CHRI for chapter 411 purposes. Accordingly, the town must withhold the information we marked under section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code. However, we find you have not demonstrated any portion of the remaining information consists of CHRI for purposes of chapter 411 of the Government Code, and the town may not withhold any of the remaining information under section 552.101 of the Government Code on that basis. As you raise no other exceptions to disclosure, the remaining information must be released.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. ²We note the information being released in this instance includes information that is confidential with respect to the general public. *See* Gov’t Code § 552.023(a) (governmental body may not deny access to person to whom information relates, or that party’s representative, solely on grounds that information is considered confidential by privacy principles); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individuals request information concerning themselves). Because such information is confidential with respect to the general public, if the town receives another request for this information from a different requestor, then the town should again seek a ruling from this office.
