Dear Mr. Schnall:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 655568.

The City of Selma (the "city"), which you represent, received a request for a specified body worn camera recording. You claim the submitted information was not properly requested pursuant to section 1701.661 of the Occupations Code. In the alternative, you claim the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the submitted arguments and reviewed the submitted information. We have also received and considered comments from the requestor. *See* Gov't Code § 552.304 (permitting interested third party to submit to attorney general reasons why requested information should or should not be released).

We note the submitted information consists of an officer's body worn camera recording. Chapter 1701 of the Occupations Code provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;

- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

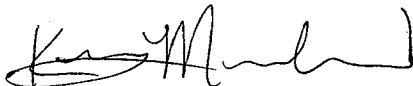

Occ. Code § 1701.661(a). You assert the requestor does not give the requisite information under section 1701.661(a). Therefore, you argue the requestor did not properly request the body worn camera recording at issue pursuant to chapter 1701. However, we find the instant request includes the information required by section 1701.661(a). *Id.* Accordingly, we find the requestor properly requested the body worn camera recording at issue and we will address your argument against its disclosure.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130(a). Upon review, we find the submitted video recording contains information subject to section 552.130. You state the city does not have the technological capability to redact the motor vehicle record information from the video recording at issue. Accordingly, the city must withhold the submitted video recording in its entirety under section 552.130 of the Government Code. *See* Open Records Decision No. 364 (1983).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
