

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

May 2, 2017

Mr. John B. Strong
Assistant City Attorney
City of Fort Worth
200 Texas Street, 3rd Floor
Fort Worth, Texas 76102

OR2017-09359

Dear Mr. Strong:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 655695 (City PIR No. W059061).

The City of Fort Worth (the "city") received a request for information regarding a specified accident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information protected by section 261.201 of the Family Code, which provides, in relevant part:

(a) [T]he following information is confidential, is not subject to public release under Chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). Upon review, we find the submitted information consists of files, reports, records, communications, or working papers used or developed in an investigation of alleged or suspected child abuse or neglect by the city's police department. *See id.* §§ 101.003(a) (defining "child" for purposes of chapter 261 of the Family Code), 261.001(1), (4) (defining "abuse" and "neglect" for purposes of chapter 261 of the Family Code). Accordingly, the information is within the scope of section 261.201 of the Family Code. We have no indication the city has adopted a rule governing the release of this type of information, we assume no such regulation exists. Given that assumption, the submitted information is confidential pursuant to section 261.201(a) of the Family Code. *See* Open Records Decision No. 440 at 2 (1986) (predecessor statute). Accordingly, the city must generally withhold the submitted information under section 552.101 of the Government Code in conjunction with section 261.201(a) of the Family Code.

We note the submitted information includes a CR-3 accident report. Section 552.101 also encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

In this instance, the requestor is not a person listed under section 550.065(c). However, section 550.065(c-1) requires the city to create a redacted accident report that may be requested by any person. *Id.* § 550.065(c-1). The redacted accident report may not include the information listed in subsection (f)(2). *Id.* Therefore, the requestor has a right of access to the redacted accident report. Although the city also raises section 552.108 of the Government Code to withhold the information, a statutory right of access prevails over the Act's general exceptions to disclosure. *See, e.g.,* Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because section 552.108 is a general exception under the Act, the requestor's

statutory access under section 550.065(c-1) prevails and the city may not withhold the information under section 552.108 of the Government Code.

Nevertheless, there is a conflict between the confidentiality provided under section 261.201 of the Family Code and the right of access provided under section 550.065(c-1) of the Transportation Code for the redacted accident report. Where general and specific statutes are in irreconcilable conflict, the specific provision typically prevails as an exception to the general provision unless the general provision was enacted later and there is clear evidence the legislature intended the general provision to prevail. *See* Gov't Code § 311.026(b); *City of Lake Dallas v. Lake Cities Mun. Util. Auth.*, 555 S.W. 2d 163, 168 (Tex. Civ. App.—Fort Worth 1977, writ ref'd n.r.e.). In this instance, although section 261.201 generally pertains to all records of alleged child abuse or neglect, section 550.065(c-1) specifically pertains to accident reports. Thus, we find section 550.065 is more specific than, and prevails over, section 261.201. Therefore, the city must release the redacted CR-3 accident report to the requestor pursuant to section 550.065(c-1) of the Transportation Code. The city must withhold the remaining information under section 552.101 of the Government Code in conjunction with section 261.201(a) of the Family Code.¹
