

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

May 3, 2017

Lieutenant Ricardo Gonzalez
City of Laredo Police Department
4712 Maher Avenue
Laredo, Texas 78041

OR2017-09521

Dear Lt. Gonzalez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 656333 (Reference No. W007072-020517).

The Laredo Police Department (the "department") received a request for audio and video recordings relating to a specified incident. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we must address the department's obligations under the Act. Section 552.301 prescribes the procedures that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Pursuant to section 552.301(b), a governmental body must ask for a decision from this office and state the exceptions that apply within ten business days of receiving the written request. *See Gov't Code*, § 552.301(b). The department received the request for information on February 5, 2017. We understand the department sought clarification of the request on February 6, 2017, and received clarification of the request on February 7, 2017, after business hours. *See id.* § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or over-broad request for public information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed). Thus, February 8, 2017, is the date on which the department is

deemed to have received the request. We note the department was closed on February 20, 2017. This office does not count the date the request was received or days a governmental body was closed for purposes of calculating a governmental body's deadlines under the Act. Accordingly, the ten-business-day deadline for requesting a ruling from this office was February 23, 2017. The envelope in which the department submitted to this office the information required by section 552.301(b) was post-marked February 24, 2017. *See id.* § 552.308(a)(1) (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Consequently, we find the department failed to comply with the requirements of section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ). However, section 552.101 of the Government Code can provide a compelling reason to overcome the presumption of openness. Therefore, we will address the applicability of section 552.101 to the submitted information.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov't Code § 552.101. Section 552.101 encompasses section 58.007 of the Family Code, which makes confidential juvenile law enforcement records relating to conduct that occurred on or after September 1, 1997. *See* Fam. Code § 58.007(c). Section 58.007 provides, in relevant part, the following:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

...

(e) Law enforcement records and files concerning a child may be inspected or copied by a juvenile justice agency as that term is defined by Section 58.101, a criminal justice agency as that term is defined by Section 411.082, Government Code, the child, and the child's parent or guardian.

...

(j) Before a child or a child's parent or guardian may inspect or copy a record or file concerning the child under Subsection (e), the custodian of the record or file shall redact:

(1) any personally identifiable information about a juvenile suspect, offender, victim, or witness who is not the child[.]

Id. § 58.007(c), (e), (j)(1). For purposes of section 58.007(c), a "child" is a person ten years of age or older and under seventeen years of age at the time of the reported conduct. *See id.* § 51.02(2). Upon review, we find the submitted information involves juveniles engaged in delinquent conduct on or after September 1, 1997. Thus, this information is subject to section 58.007(c). In this instance, however, the requestor is one of the juvenile offenders at issue. The requestor has a right to inspect juvenile law enforcement records concerning himself pursuant to section 58.007(e) of the Family Code. *See id.* § 58.007(e). However, pursuant to section 58.007(j)(1), any personally identifiable information concerning other juvenile suspects, offenders, victims, or witnesses must be redacted. *See id.* § 58.007(j)(1). Thus, the department must withhold the identifying information of the other juvenile offender and juvenile witnesses under section 552.101 of the Government Code in conjunction with section 58.007(j)(1) of the Family Code. You inform us the department does not possess the technological capability to redact information from the video recordings. Accordingly, we find the department must withhold the entirety of the submitted video recordings under section 552.101 of the Government Code in conjunction section 58.007 of the Family Code. *See* Open Records Decision No. 364 (1983).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
