Dear Ms. Burnett:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 656484 (OGC# 174083).

The University of Texas at San Antonio (the "university") received a request for information pertaining to the termination and hiring of university staff members during a specified time period and communications among named individuals.¹ You state the university will release some of the requested information. Additionally, you state the university does not have information responsive to a portion of the request.² You claim the submitted information is

¹ You state the university sought and received a clarification of the information requested. *See* Gov't Code § 552.222 (providing that if request for information is unclear, governmental body may ask requestor to clarify request); *see also* Open Records Decision No. 31 (1974) (when presented with broad requests for information rather than for specific records, governmental body may advise requestor of types of information available so that request may be properly narrowed).

² The Act does not require a governmental body that receives a request for information to create information that did not exist when the request was received. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 563 at 8 (1990), 555 at 1-2 (1990).

excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses information protected by other statutes, including section 51.971 of the Education Code. Section 51.971 of the Education Code provides, in relevant part, the following:

(e) Information is excepted from disclosure under [the Act] if it is collected or produced:

(1) in a compliance program investigation and releasing the information would interfere with an ongoing compliance investigation[.]

Educ. Code § 51.971(e)(1). Section 51.971 defines a compliance program as “a process to assess and ensure compliance by the officers and employees of an institution of higher education with applicable laws, rules, regulations, and policies[.]” *Id.* § 51.971(a)(1). You inform us the university is an institution of higher education for purposes of section 61.003 of the Education Code. *See id.* § 51.971(a)(2). You state the submitted information pertains to an ongoing compliance investigation conducted by the university’s Office of Institutional Compliance and Risk Services relating to ethical questions and standards of conduct of a university employee. Based on your representations and our review, we agree the submitted information pertains to the university’s compliance program for purposes of section 51.971. *See id.* § 51.971(a). You also represent release of the information at this time would interfere with, and potentially compromise, the ongoing investigation. Accordingly, we conclude the university must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 51.971(e)(1) of the Education Code.³
