ATTORNEY GENERAL OF TEXAS

Ms. Amanda K. Davis
Associate General Counsel
Dallas County Schools

Dallas, Texas 75228

OR2017-09730

Dear Ms. Davis:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 656124 (Ref. No. W001143-111816).

Dallas County Schools ("DCS") received a request for photographs of all crashes involving DCS buses during a specified time period.¹ You state DCS released some information. You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.103 of the Government Code provides as follows:

- (a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or

¹You state DCS sought and received clarification of the request. *See* Gov't Code § 552.222(b) (providing that if request for information is unclear, governmental body may ask requestor to clarify request); *see also City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when governmental entity, acting in good faith, requests clarification or narrowing of unclear or overbroad request for public information, ten-day period to request attorney general ruling is measured from date request is clarified or narrowed).

employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). A governmental body has the burden of providing relevant facts and documents to show that the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing that (1) litigation was pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the information at issue is related to that litigation. *Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). A governmental body must meet both prongs of this test for information to be excepted under section 552.103(a).

You state a lawsuit was pending against DCS when it received the instant request for information. You state the information at issue is related to the pending lawsuit. Based on your representations and our review of the information at issue, we find litigation was pending when DCS received the request for information, and the information at issue is related to the pending litigation for the purposes of section 552.103. Therefore, DCS may withhold the submitted information under section 552.103(a) of the Government Code.

Generally, however, once information has been obtained by all parties to the litigation through discovery or otherwise, no section 552.103(a) interest exists with respect to that information. Open Records Decision Nos. 349 (1982), 320 (1982). Thus, information that has either been obtained from or provided to the opposing parties in the pending litigation is not excepted from disclosure under section 552.103(a), and it must be disclosed. Further, the applicability of section 552.103(a) ends once the litigation has been concluded. Attorney General Opinion MW-575 (1982); Open Records Decision No. 350 (1982).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
