Ms. Laura Anne Coats
Assistant District Attorney
Dallas County District Attorney's Office

OR2017-09969A

Dear Ms. Coats:

This office issued Open Records Letter No. 2017-09969 (2017) on May 9, 2017. Since that date, we have received new information that affects the facts on which this ruling was based. Consequently, this decision serves as the corrected ruling and is a substitute for the decision issued on May 9, 2017. *See generally* Gov't Code § 552.011 (providing that Office of Attorney General may issue decision to maintain uniformity in application, operation, and interpretation of Public Information Act ("Act")). This ruling was assigned ID# 669389.

The Dallas County District Attorney's Office (the "district attorney's office") received a request for information pertaining to specified investigations over a specified period of time. You state you do not have information responsive to a portion of the request.¹ You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(2) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . it is information that deals with the detection, investigation, or prosecution of crime only in relation to an investigation that did not result in conviction

¹The Act does not require a governmental body to release information that did not exist when a request for information was received or to prepare new information in response to a request. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266, 267-68 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 452 at 3 (1986), 362 at 2 (1983).

or deferred adjudication[.]” *Id.* § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate that the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested). You state the submitted information relates to concluded criminal investigations that did not result in conviction or deferred adjudication. Thus, we agree section 552.108(a)(2) is applicable, and the district attorney’s office may withhold the submitted information on that basis.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
