Dear Ms. Schultz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 657334.

The Pflugerville Independent School District (the "district"), which you represent, received a request for the entire personnel file of a named former employee during a specified time period.¹ You state you have released some information to the requestor. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.102 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses other statutes, such as section 21.355 of the Education Code, which provides that "[a] document evaluating the performance of a teacher or administrator is confidential." Educ. Code § 21.355(a). This office has interpreted section 21.355 to apply

¹We note the district sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding when governmental entity, acting in good faith, requests clarification of unclear or overbroad request for public information, ten-business-day period to request attorney general opinion is measured from date request is clarified or narrowed).

to any document that evaluates, as that term is commonly understood, the performance of a teacher or an administrator. *See* Open Records Decision No. 643 (1996). Additionally, a court has concluded that a written reprimand constitutes an evaluation for purposes of section 21.355, as it “reflects the principal’s judgment regarding [a teacher’s] actions, gives corrective direction, and provides for further review.” *Abbott v. North East Indep. Sch. Dist.*, 212 S.W.3d 364 (Tex. App.—Austin 2006, no pet.). In Open Records Decision No. 643, we concluded that a “teacher” for purposes of section 21.355 means a person who (1) is required to and does in fact hold a certificate or permit required under chapter 21 of the Education Code and (2) is teaching at the time of his or her evaluation. *See* ORD 643.

You state Exhibit 3 consists of written evaluations that are confidential under section 21.355. You inform us, and have submitted documentation reflecting, the teacher at issue held the appropriate certification at the time of the evaluations. Based on your representations and our review, we agree the information we marked in Exhibit 3 constitutes evaluations as contemplated by section 21.355. Accordingly, the district must withhold these documents under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code. However, we find you have failed to demonstrate any of the remaining information at issue constitutes an evaluation for the purposes of section 21.355 of the Education Code. Therefore, the district may not withhold the remaining information at issue under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code.

Section 552.102(a) of the Government Code excepts from disclosure “information in a personnel file, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.” Gov’t Code § 552.102(a). The Texas Supreme Court held section 552.102(a) excepts from disclosure the dates of birth of state employees in the payroll database of the Texas Comptroller of Public Accounts. *Tex. Comptroller of Pub. Accounts v. Attorney Gen. of Tex.*, 354 S.W.3d 336 (Tex. 2010). Upon review, we find the district must withhold the date of birth we marked under section 552.102(a) of the Government Code.

Section 552.102(b) of the Government Code excepts from disclosure “a transcript from an institution of higher education maintained in the personnel file of a professional public school employee[.]” Gov’t Code § 552.102(b). This exception further provides, however, “the degree obtained or the curriculum on a transcript in the personnel file of the employee” are not excepted from disclosure. *Id.* Upon review, we agree the submitted transcript falls within the scope of section 552.102(b). Therefore, the district must withhold the educational transcript under section 552.102(b) of the Government Code, except for the information that reveals the employee’s name, the degree obtained, and the courses taken. *See* Open Records Decision No. 526 (1989) (addressing statutory predecessor).

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release.² See Gov't Code § 552.130(a). Accordingly, the district must withhold the motor vehicle record information we marked under section 552.130 of the Government Code.

Section 552.147(a-1) of the Government Code provides, "[t]he social security number of an employee of a school district in the custody of the district is confidential." *Id.* § 552.147(a-1). Thus, section 552.147(a-1) makes the social security numbers of school district employees confidential, without such employees being required to first make a confidentiality elections under section 552.024 of the Government Code. *Id.* §552.024(a-1) (school district may not require employee or former employee of district to choose whether to allow public access to employee's or former employee's social security number). Reading sections 552.024(a-1) and 552.147(a-1) together, we conclude section 552.147(a-1) makes confidential the social security numbers of both current and former school district employees. Thus, we find the district must withhold the social security number of the we marked under section 552.147(a-1) of the Government Code.

In summary, the district must withhold the information we marked under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code. The district must withhold the information we marked under section 552.102(a) of the Government Code; the educational transcript under section 552.102(b) of the Government Code, except for the information that reveals the employee's name, the degree obtained, and the courses taken; the motor vehicle record information we marked under section 552.130 of the Government Code; and the social security number we marked under section 552.147(a-1) of the Government Code. The district must release the remaining information.
