Mr. W. Montgomery Meitler  
Senior Counsel  
Texas Education Agency  
1701 North Congress Avenue  
Austin, Texas 78701-1494

OR2017-10189

Dear Mr. Meitler:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 657563 (TEA PIR# 29081).

The Texas Education Agency (the "TEA") received a request for four categories of information concerning the Performance-Based Monitoring Analysis System during a specified time period. The TEA states it will release some information to the requestor. You state the TEA does not have information responsive to a portion of the request.<sup>1</sup> You claim the submitted information is excepted from disclosure under section 552.116 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>2</sup>

Section 552.116 of the Government Code provides,

---

<sup>1</sup>The Act does not require a governmental body that receives a request for information to create information that did not exist when the request was received. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 563 at 8 (1990), 555 at 1-2 (1990), 452 at 3 (1986), 362 at 2 (1983).

<sup>2</sup>We assume the representative sample of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

(a) An audit working paper of an audit of the state auditor or the auditor of a state agency, an institution of higher education as defined by Section 61.003, Education Code, a county, a municipality, a school district, a hospital district, or a joint board operating under Section 22.074, Transportation Code, including any audit relating to the criminal history background check of a public school employee, is excepted from [required public disclosure]. If information in an audit working paper is also maintained in another record, that other record is not excepted from [public disclosure] by this section.

(b) In this section:

(1) "Audit" means an audit authorized or required by a statute of this state or the United States, the charter or an ordinance of a municipality, an order of the commissioners court of a county, the bylaws adopted by or other action of the governing board of a hospital district, a resolution or other action of a board of trustees of a school district, including an audit by the district relating to the criminal history background check of a public school employee, or a resolution or other action of a joint board described by Subsection (a) and includes an investigation.

(2) "Audit working paper" includes all information, documentary or otherwise, prepared or maintained in conducting an audit or preparing an audit report, including:

(A) intra-agency and interagency communications; and

(B) drafts of the audit report or portions of those drafts.

Gov't Code § 552.116. You state the submitted information consists of audit working papers that were prepared or are maintained by the TEA's Division of School Improvement. You inform us this audit was conducted under the authority granted to the agency by section 7.021(b)(1) of the Education Code. *See* Educ. Code § 7.021(b)(1) (agency shall administer and monitor compliance with education programs). Additionally, you explain section 7.028(a) of the Education Code authorizes the agency to monitor compliance with federal law and regulations, financial accountability, including compliance with grant requirements, and data integrity. *See id.* § 7.028(a). Based on your representations and our review, we agree the submitted information consists of audit working papers for purposes of section 552.116. Accordingly, the TEA may withhold the submitted information under section 552.116 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
